## Production Process

Process:

## Corporate and Social Responsibility:

**D Y Industries aims to "set the standard" for ethical business conduct. We will achieve this through seven virtues: Honesty, Integrity, Respect, Environment consciousness, Trust, Responsibility, and Citizenship.**

- ▶ **Honesty: to be truthful in all our endeavors; to be honest and forthright with one another and with our customers, communities, suppliers, and shareholders.**
- ▶ **Integrity: to say what we mean, to deliver what we promise, and to stand for what is right.**
- ▶ **Respect: to treat one another with dignity and fairness, appreciating the diversity of our workforce and the uniqueness of each team member.**
- ▶ **Environment: we are committed to undertaking processes that strike a harmonious balance with the nature in order to carefully sustain the global environment.**
- ▶ **Responsibility: to speak up - without fear of retribution - and report concerns in the work place, including violations of laws, regulations and company policies, and seek clarification and guidance whenever there is doubt.**
- ▶ **Trust: to build confidence through teamwork and open, candid communication.**
- ▶ **Citizenship: to obey all the laws of the India and the other countries in which we do business and to do our part to make the communities in which we live better.**
