About Us

Established in 2016, Truezenic Formulations is a trusted manufacturer, supplier, and service Provider based in Baddi, Himachal Pradesh, India. Our company is dedicated to delivering high quality pharmaceutical and nutraceutical products that meet evolving healthcare requirements with precision and reliability. Our diversified portfolio includes Cranberry D Mannose Capsule, Allopathic PCD Pharma Franchise, Multivitamin Tablets, Male Fertility Sachets, Biotin tablets capsules, and much more, catering to healthcare professionals, distributors, and business partners nationwide. With a strong emphasis on quality, innovation, and customer centric practices, we strive to develop formulations that align with modern healthcare standards. Every product is manufactured with careful attention to quality parameters, ensuring consistency, safety, and effectiveness. Our experienced team works diligently to maintain ethical business practices while offering customized solutions that support the growth of our clients.

We believe in building lasting relationships through transparent communication, timely deliveries, and dependable service. Our commitment extends beyond supplying products by offering comprehensive franchise support and value added services that help our associates succeed in competitive pharmaceutical markets. By combining advanced manufacturing capabilities with a passion for excellence, we continue to strengthen its reputation as a reliable pharmaceutical partner, dedicated to promoting better health and creating long term value for customers across India.
