HEXA AGRO INDUSTRIES

About Hexa Agro Industries

Hexa Agro Industries become a market-dominant entity in Agro Chemical Industry manufacturing, trading and exports with wide range of Agro

Chemicals, Bio Pesticides, Organic Pesticides, Plant Growth Regulators, Micro nutrients and Fertilizers. We manufacture, trace, and export our products in entire India and other countries as well. We have created modern

infrastructure with state of art manufacturing facility

materials per month as Sarkhej, Dist.-Ahmedabad in State of Gujarat a progressing state of India.

We have abundant expertise and complete market knowledge which has assisted us in acquiring a prominent position of reputed manufacturer, exporter and trader in the agriculture industry and also associated with many

corporate like Maize Products (Sayaji Group), IFFCO, GUJKOMASOL, Banas Dairy, GCMFF etc. By apparent aims and strategies, We have maintained our position high quality products including Bio Pesticides and Plant Growth Regulators and manufactures certified Organic Products and 100% Natural Organic Products according to Standards.

Our products are supported by a powerful Research & Development by in house Analytical Laboratory and that is prepared with innovative laboratory

tools with International Standards.

Flower Plus (Flowering Stimulant)

- Content** : Carboxylic Acid & Folic Acid
- Function** : Increase flowers quantity and prevents pre
: dropping fruits and flowers
- Dose** : 10 ml in 15 ltr of water
- Application Time** : At and after flowering / Fruiting
- Packing** : HDPE Bottles 50 ml, 100 ml, 250 ml, 500ml, 1 Ltr
- Bulk Packing** : 200 liter HDPE Container

Hulk (Organic Pesticide)

- Content** : Alkaloid and salt of fatty acid with mixture
of wild plant oil and Dhatura Extract
- Function** : Control all Larva, Helliiothis & Spodoptera
- Dose** : 20 ml in 15 ltr of water
- Special Function** : Add PGR content
- Application Time** : At the time of pest seen mixing with any
pesticide, fungicide, PGR
- Packing** : HDPE Bottles 20 ml, 50 ml, 100 ml, 250 ml, 500ml, 1 Ltr
- Bulk Packing** : 200 liter HDPE Container

Astu Super (Bio Plant Protector)

- Content** : Alkaloid and salt of fatty acid with mixture of wild
plant oil and Dhatura Extract
- Function** : Control all Larva, Helliiothis & Spodoptera, fruit
Boror, Shoot boror
- Dose** : 5 ml in 15 ltr of water
- Application Time** : At the time of pest seen mixing with any pesticide,
fungicide, PGR
- Packing** : HDPE Bottles 20 ml, 100 ml,
- Bulk Packing** : 50 Ltr HDPE Container

Ajooba (Bio Plant Protector)

Content	: Alkaloid and salt of fatty acid with mixture of wild plant oil and Dhatura Extract
Function	: Control all Larva, Helliiothis & Spodoptera
Dose	: 20 ml in 15 ltr of water
Special Function	: Add PGR content
Application Time	: At the time of pest seen mixing with any pesticide, fungicide, PGR
Packing	: HDPE Bottles 20 ml, 50 ml, 100 ml, 250 ml, 500ml, 1 Ltr
Bulk Packing	: 200 liter HDPE Container

Formate (Organic Pesticide)

Content	: Alkaloid and salf of fatty acid with mixture of wild plant oil and dhatura extract
Function	: Control all Larva, Helliiothis & Spodoptera
Dose	: 20 ml in 15 Liter Pump
Special Function	: Add PGR content.
Packing	: HDPE Bottles 50ml, 100 ml, 250 ml, 500 ml, 1 Ltr.
Bulk Packing	: 200 Liter HDPE Container

Vinashak (Organic Pesticide)

Content	: Alkaloid and salt of fatty acid, oil of wild plants and mixture of organic matter
Function	: Control Thrips, Mites, White fly, Aphid, Jassid, & All types of sucking pests etc
Dose	: 20 ml in 15 ltr of water
Application Time	: At the time of pest seen mixing with any pesticide, fungicide, PGR
Packing	: HDPE Bottles 20 ml, 50ml, 100 ml, 250 ml, 500ml, 1 Ltr
Bulk Packing	: 200 liter HDPE Container

Kill-Bill (Organic Pesticide)

- Content** : Alkaloid and salt of fatty acid, oil of wild plants and mixture of organic matter.
- Function** : Control Thrips and Red Mites
- Dose** : 20 ml in 15 ltr of water
- Application Time** : At the time of pest seen mixing with any pesticide, fungicide, PGR
- Packing** : HDPE Bottles 20 ml, 50 ml, 100 ml, 250 ml, 500ml, 1 Ltr
- Bulk Packing** : 200 liter HDPE Container

Fly Out (Organic Pesticide)

- Content** : Alkaloid and salt of fatty acid, oil of wild plants and mixture of organic matter
- Function** : Control White fly and Red Mites
- Dose** : 20 ml in 15 ltr of water
- Application Time** : At the time of pest seen mixing with any pesticide, fungicide, PGR
- Packing** : HDPE Bottles 50ml, 100 ml, 250 ml, 500ml, 1 Ltr
- Bulk Packing** : 200 liter HDPE Container

Nuclear (Organic pesticide cum Miticide)

- Content** : Eucaliptus, Crysanthemim and Sulphonated Castor Oil Alkaloid
- Function** : Control sucking pests like Aphid, Jassid, Whitefly, Thrips, Mites etc. Control Larva like Helliiothis, Spodoptera, Shoot Borer, Fruit Boror and other larva. Increase growth and greenery of the plants.
- Dose** : 20 ml in 15 ltr of water
- Application Time** : At the time of pest seen mixing with any pesticide, fungicide, PGR
- Packing** : 20 ml, 50 ml, 100 ml, 250 ml
- Bulk Packing** : 25 kg fiber Drum Or 50 Ltr Container

Dr. BPH (For Paddy BPH Control)

Content	: Neem Extract with Special Oils
Function	: Control Brown Plant Hopper for Paddy Crop
Dose	: Liquid 250 ml for One Acre Powder 100 Grm for One Acre
Application Time	: At the time of pest seen
Packing	: 250 ml, 500ml, 1 ltr / 50 Gr, 100 Gr
Bulk Packing	: 200 liter HDPE Container /25 kg Bag.

O-zone (Organic Fungicide)

Content	: Alkaloid and salt of fatty acid, with some special oil
Adjuvants Function	: Control Rust, Powdery Mildew, Downy Mildew, Leaf Spot, Anthracnose etc.
Dose	: 20 ml in 15 ltr of water
Application Time	: At the time when fungus seen mixing with any pesticide, fungicide, PGR
Packing	: HDPE Bottles 50ml, 100 ml, 250 ml, 500ml, 1 Ltr
Bulk Packing	: 200 liter HDPE Container

Hexa Copper (Liquid Copper Solution)

Content	: Liquid Copper Solution
Function	: Copper Functioned as a Fungicide and Growth Promoter
Dose	: 30 to 40 ml in 15 Ltr of water
Application Time	: Any time, Any stage
Packing	: 500ml, 1 Ltr
Bulk Packing	: 200 liter HDPE Container

Nutri Power (Growth Promoter)

Content	: Bio Organic Zyme with 16 Micronutrients
Function	: Increase Growth and Flowers Quantity, Promoters Dropping of Fruits and Flowers, It is mainly used in Cumin Crop for Development plant Leaf and Leaves with Quality and Quantity of product. To control normal Fungus.
Dose	: 40 to 50 ml in 15 ltr of water
Application Time	: Any time, Any stage
Packing	: 100 ml, 250 ml, 500ml, 1 Ltr
Bulk Packing	: 200 liter HDPE Container

Chilli Super (Organic Pesticide)

Content	: Contains organic based extract which has pesticide effects
Function	: Effective on all types of mites, Thrips, white fly, and all sucking pests. Increase Flower quantity and Prevents Flower Dropping and Increase all over plant Growth
Dose	: 20 ml per 15 Liter water
Application Time	: At any time
Packing	: HDPE Bottles 20 ml x 2 Nos. per box
Bulk Packing	: 200 liter HDPE Drums

Laher (Plant Growth Regulator)

Content	: Humic Acid, Amino Acid, Seaweed Extract, Fulvic Acid
Function	: Very Effective Plant Growth Regulator with Hormones and Vitamins
Dose	: 30 to 40 ml per 15 Liter water
Application Time	: At any time
Packing	: 100 ml, 250 ml, 500 ml, 1 liter
Bulk Packing	: 200 liter HDPE drums

Trust (Growth Promoter)

Content	: Amino Acid, Plant Enzymes and Vitamins
Function	: Increase growth and flowers Quantity, Promoters dropping of fruits and flowers, it is mainly used in cumin crop for development plant leaf and leaves with quality and quantity of product.
Dose	: 30 to 40 ml per 15 Liter water
Application Time	: At any time
Packing	: 250 ml, 500 ml, 1 liter
Bulk Packing	: 200 liter HDPE Drums

Energy (Flowering & Growth Promoter)

Content	: Cytokinin and plant Enzymes
Function	: Increase flowers quantity Branches and all over Growth
Dose	: 20 ml in 15 ltr of water
Application Time	: At any time, any stage
Packing	: 100 ml, 250 ml, 500ml, 1 Ltr
Bulk Packing	: 200 liter HDPE Container

Hexa -Zyme (Growth Promoter)

Content	: Bio organic Zyme, Seaweeds with Amino Acid & Humic Acid
Function	: Increase growth of Roots and plant Branches ultimately it increase growth of plants.
Dose	: 30 ml to 40 ml in 15 ltr of water
Application Time	: Any time, foliar spray or Drinching
Packing	: 100 ml, 250 ml, 500ml, 1 Ltr, 5Ltr
Bulk Packing	: 200 liter HDPE Container

Hexa 12% (Humic 12% Liquid)

Content	: Humic Acid, Amino Acid, Seaweed Extract
Function	: Increase growth of roots and plant branches Ultimately in increase growth of plant
Dose	: 30 to 40 ml in 15 ltr of water
Application Time	: Any time as foliar spray as Drinching
Packing	: 250 ml, 500ml, 1 Ltr
Bulk Packing	: 200 liter HDPE Container

Speed Max (Silicon Spreader)

Content	: Silicon Spreader
Function	: Use with all pesticides & Fungicides as a Spreader and Sticker.
Dose	: 5 ml in 15 ltr of water
Packing	: 50 ml, 100 ml, 250 ml, 500ml,
Bulk Packing	: 200 liter HDPE Container

Magnet (Sticking & Spreading Agent)

Content	: Sticking & Spreading Agent AG-30 Grade
Function	: Use with all Pesticides & Fungicide as a Spreader and Sticker
Dose	: 10 ml in 15 ltr of water
Application Time	: Any time, Any stage
Packing	: 100 ml, 250 ml, 500ml, 1 Ltr
Bulk Packing	: 200 liter HDPE Container

Hexa sulphare (Liquid Sulphur)

Content	: Liquid Sulphur Solution
Function	: Sulphure functioned as as fungicide and Growth Promoter.
Dose	: 40 to 50 ml in 15 ltr of water
Recommended Crops	: At field crops/ Horticulture Crops, Fruit Crops
Application Time	: Any time, Any stage
Packing	: 500ml, 1 Ltr
Bulk Packing	: 200 liter HDPE Container

Avtar (Nitrobenzene 35% W/W)

Content	: Nitrobenzene 35% w/w with plant Enzyme
Function	: Increase Growth and Flowers Quantity, Promoters Dropping of Fruits and Flowers,
Dose	: 30 to 40 ml in 15 ltr of water
Application Time	: Any time, Any stage
Packing	: 100 ml, 250 ml, 500ml, 1 Ltr
Bulk Packing	: 200 liter HDPE Container

L.O.C. (Organic Nil Gai Animal Repellent)

Content	: Bad smell Plant Extract
Function	: In act as a best animal repellent. It is best for Repel Blue Bull (Nil gay) which damage field crops
Dose	: 35 ml in 15 ltr of water
Packing	: 100 ml, 250 ml, 500ml, 1 Ltr
Bulk Packing	: 200 liter HDPE Container

Hexa Neem

Content	: Neem Oil
Function	: Works as Anti feedent, Repellant and killer
Dose	: 3.50 to 4.00 ml per Liter of water Recommended Crops: Any Field Crops, Horticultural Crops, Fruit Crops.
Application Time	: At the time of pest seen OR before as a pre treatment
Compatibility	: Compatible with most of all pesticides/ fungicides/PGR
Pack In	: HDPE bottles
Packing Available	: 250 ml / 500 ml / 1 Lt / 5 Lt
Bulk Packing Available	: 200 Lt HDPE container

Nex-Phate (Herbal Pesticide like acephate)

Content	: Concentrated Extract from Leaves and Oil seeds of wild plants.
Function	: Control Sucking Pests and Small stage Larva (Function like Chemical Acephate)
Dose	: 30 to 40 Grm in 15 Ltr of water
Application Time	: At the time or before pest seen
Packing	: 250 Grm, 500 Grm, 1 Kg.
Bulk Packing	: 25 Kg HDPE bag

Dr. Root (Organic Nematicide)

Content	: Natural Inhibitor with Seaweed and Herbal Powder.
Function	: It acts as best Agricultural Nematicide. It controls root Nematode of Brinjal, Tomato, Chilli, Banana and all other.
Dose	: 1 kg per Acre
Application Time	: At the any stage of crop.
Packing	: 1 Kg.
Bulk Packing	: 25 Kg HDPE bag

Hexa Seaweed (Plant Growth Promoter)

Content	: Seaweed Extract 90%
Function	: Increase growth of roots and ultimately, It Increase growth of plants.
Dose	: 20 Grm per 15 Liter water
Special Function	: At any time and as a seed treatment, as foliar spray, as Drinching.
Packing	: 250 Grm, 500 Grm
Bulk Packing	: 25 Kg HDPE bag

Hexa Amino (Plant Growth Promoter)

Content	: Amino Acid 80%
Function	: Increase growth of roots and ultimately, It Increase growth of plants.
Dose	: 20 Grm per 15 Liter water
Special Function	: At any time and as a seed treatment, as foliar spray, as Drinching.
Packing	: 500 Grm
Bulk Packing	: 25 Kg HDPE bag

Captain (Plant Growth Promoter)

Content	: Amino Acid, Plant Enzymes and Vitamins
Function	: Increase growth and Stems Quality.
Dose	: 20 Grm per 15 Liter water
Application Time	: At any time
Packing	: 250 Grm, 500 Grm, 1 kg.
Bulk Packing	: 50 Kg HDPE bag

Master (Growth Promoter)

Content	: Humic Acid, Fulvic Acid, Seaweed Extract & Amino Acid
Function	: Increase growth of Roots & Plant
Dose	: 20 Grm per 15 Liter water
Application Time	: At any time
Packing	: 250 Grm, 500 Grm, 1 kg.
Bulk Packing	: 50 Kg HDPE bag

Soil Mate (Growth Promoter)

Content	: Humic Acid 98% & K ₂ O
Function	: Increase growth of roots and ultimately, it increase growth of plants.
Dose	: 20 Grm per 15 Liter water
Application Time	: At any time
Packing	: 100 Grm, 250 Grm, 500 Grm, 1 kg.
Bulk Packing	: 25 Kg HDPE bag

Tahalka (Plant Growth Promoter)

Content	: Amino Acid, Plant Enzymes and Vitamins
Function	: Increase growth and Stems Quality, increase Root and Branches. Develop plant yield capacity,
Dose	: 30 Grm per 15 Liter water
Application Time	: At any time
Packing	: 1 kg.
Bulk Packing	: 50 Kg HDPE bag

Micro Bacteria

- 1) Azotobacter Chroococcum
- 2) Mycorrhizal
- 3) Trichoderma Viride
- 4) Pseudomonas Fluorescens
- 5) Peecilomyces Lilacinus
- 6) Azospirillum Brasilense

Black Diamond (Soil Conditioner)

Content	: Amino Acid, Humic Acid, Nitrogen with most of micro nutrients
Function	: 1. Growth and flowering stimulant by root growth 2. It is best for the reduce the dose of UREA fertilizer. 3. It is best soil conditioner which improve soil condition and prevent soil to become hard.
Dose	: 2.5 kg per acre
Recommended Crops	: Any Field Crops/Horticultural Crops/Fruit Crops
Application Time	: At the time and any stage of crop
Compatibility	: Compatible with most of all chemical fertilizer
Packing	: Jar Or Pouch packing
Packing Available	: 2.5 Kg Jar
Packing Available	: 40kg HDPE bags

Brahmastra (White Grub-Termite Control)

- Content** : Natural Pesticide (From Plants)
Function : 1. To control white Grub, Termite, Root Boror etc
 2. To Increase Root Growth
 3. To Improve the soil fertility.
Dose : 5 kg per Acre
Timing : At the time of sowing or after sowing.
Packing : 5 kg Pouch, 40kg Bag
Bulk Packing : 25 Kg HDPE bag

Nex Flower 15G (Nitrobenzene 15%)

- Content** : Nitrobenzene 15% w/w with plant enzyme
Function : Increase quantity of flower and growth promoters
Dose : 3 to 5 kg per Acre
Packing : 1 kg Pouch, 40kg Bag
Bulk Packing : 50 Kg HDPE bag

Nexa Zyme (Bio Organic Zyme)

- Content** : Seaweed and Humic Acid and Amino Acid
Function : Growth and Flowering Stimulating by Root Growth
Dose : 5 kg per Acre (time sowing or any stage of crop)
Packing : 5 kg bag , 10 kg bag/ bucket, 25 and 50 kg HDPE drum.
Bulk Packing : 50 Kg HDPE bag

100% Water Soluble Fertilizers

NPK (19:19:19)

Mono Potassium Phosphate (mkp)

Potassium nitrate

Mono Ammonium Phosphate (map)

NPK (13:40:13)

Potassium Sulphate (sop)

HEXA ZINK 21% & 33% Heptahydrate + Mono

Content	: Hexa Zink 21% (Heptahydrate) Hexa Mono Zink 33% (Mono Hydrate)
Function	: Zink is an essential micronutrients required by several enzyme systems, auxins and for protein synthesis. It helps in formation of chlorophyll, Increase the carbohydrate metabolism there by increases yield levels of the crop.
Dose	: 5kg per acre and apply
Packing	: 1kg
Bulk Packing	: 50kg

HEXA BORON 10.5% & 20%

Content	: Hexa Boron 10.5% & 20%
Function	: Born (B) has a specific role of development of root and shoot growing point (meristamatic growth), cell deviation and extension, cell wall development, pollen germination and growth, fruit development, carbohydrate metabolism, protein synthesis, etc.
Dose	: 150-250gm per acre
Packing	: 1kg
Bulk Packing	: Available

HARIYALI GOLD (Multi Zink)

Content	: Zn-5%, Fe-2%, Cu-0.2, B-0.5%, Mn-0.5%
Function	: Optimizes yield & quality of crops (Wheat, Paddy, Sugarcane, Cotton, Potato, Cumin, Fennel, Castor, Chilly, Vegetables, Fruits, Pulses and other field crops) through novel micro-nutrients.
Dose	: 5 to 7kg per Acre
Packing	: 1kg & 25kg
Bulk Packing	: Available

Hexa Cal (Premium Organic Manure)

- Content** : Calcium, Magnesium, Sulphur, Humic Acid, Fulvic Acid, Zinc, Ferrous, Copper, Boron, Manganese
- Benefits** : - Hexa cal contains balanced amount of elements like Calcium, Magnesium and Sulphur which is best for plant growth
 - It Increases water absorption and uptake of other Nutrients.
 - It increases the count of chlorophyll molecules in leaves and hence the photosynthesis activity of plants.
 - It completely wipe out the causes of yellowness in crops and hence increase the quality and yield of crops.
 - Ensure healthy and disease free crops.
 - Regular usage of Hexa Cal makes the soil smoother.
- Function** : Hexa Cal with any chemical fertilizer for best and quick growth of plants and achieve excellent results.
- Dose** : 25 kg per acre
Packing : 25 kg
Bulk packing : 25 kg HDPE Bag

Natural Potash (Natural Potash)

- Function:**
- New generation concept in NPK "K" in Bio available form.
 - Doesn't harm the soil structure & Micro organisms in the soil
 - No soil fixation and no loss due to leaching.
 - Better uptake of nutrients by the plant
 - Uses Gluconate as carrier material
- Dose** : 100 kg per Acre
Packing : 50 kg Bag
Bulk Packing : 50 kg bag

Green Gold (Organic Soil Conditioner)

- Green Gold provides Ca:Mg:S which known as secondary Nutrients necessary for the growth and health of plants
- Benefits:**
- . Green gold contains balanced of elements like Calcium Magnesium and sulphur which is best for plant growth.
 - . It Increase water absorption and uptake of the nutrients.
 - . It increases the count of chlorophyll molecules in leaves and hence the photosynthesis activity of plants.
 - . It completely wipe out the causes of yellowness in crops and hence increase the quality and yield of crops.
 - . Ensure healthy and disease free crops.
 - . Regular usage of green gold makes the soil smoother
- Dose** : 1) 200 to 250 kg per acre for long duration crops like Sugarcane, Castor 2)100 to 150 kg per Acre for short duration crops like groundnut, Paddy & Vegetable Etc.
- Packing** : 50 kg HDPE bag

Hexa Gold (Rich Organic Manure)

Content	: Calcium, Magnesium, Sulphur, Humic Acid, Fulvic Acid, Zinc, Ferrous, Copper, Boron, Manganese
Benefits	: - Hexa cal contains balanced amount of elements like Calcium, Magnesium and Sulphur which is best for plant growth - It Increases water absorption and uptake of other Nutrients. - It increases the count of chlorophyll molecules in leaves and hence the photosynthesis activity of plants. - It completely wipe out the causes of yellowness in crops and hence increase the quality and yield of crops. - Ensure healthy and disease free crops. - Regular usage of Hexa Cal makes the soil smoother.
Function	: Hexa Cal with any chemical fertilizer for best and quick growth of plants and achieve excellent results.
Dose	: 25 kg per acre
Packing	: 25 kg
Bulk packing	: 25 kg HDPE Bag

Sendriya Khatar

हेक्सा सेंद्रिय खाद ये एक आर्गेनिक सेंद्रिय खाद है। जिसके अंदर सभी प्रकार के मिनरल पौधे को मिलते हैं। सेंद्रिय खाद में सभी आर्गेनिक प्रकार की वस्तुएं मिलती हैं। जैसेकि पोल्ट्री, एरंडी की खली, डांगर की कुचकी, आर्गेनिक कार्बन और ऐसी चीजे जिसमें आर्गेनिक कंटेंट की मात्रा ज्यादा होती है। सेंद्रिय खाद का उपयोग करने से पौधे के रूट में बहुत बढ़ता है। पौधे में नए पत्ते और डालिया आती हैं ये एक कम्प्लीट न्यूट्रिशन खाद जैसा होता है। जिनसे पौधे की इम्युनिटी बढ़ती है और पैदावार ज्यादा आती है सेंद्रिय खाद में कार्बन की मात्रा भी होती है जिनसे कम पानि में भी पौधा हरा भरा रहता है। सेंद्रिय खाद से जमीं एकदम नरम रहती है जिनसे रूट में नाइट्रोजन अच्छी मात्रा में मिलता है। सेंद्रिय खाद में सभी आर्गेनिक कम्पोनेंट होता है जिनसे जमीं के अंदर जो न्यूट्रिशन पड़े हैं वो पौधा आसानी से ले सकता है
Dose : 50 to 100 kg 1 एकर में डालने से बहुत अच्छा रिजल्ट मिलता है

पैकिंग : 50kg बेग

ये खाद पावडर फोम में आता है।

सभी चीजों के उपयोग से इन में कुदरती बैक्टेरिया बन जाता है जो पौधे के लिए बहुत हितकारी होता है।

Nitrogen

- Content** : Nitrogen Deliver from Available source with 16 types of micronutrients and Natural Amino Acids.
- Function** : Increased growth of Roots and plant to fulfill Nitrogen deficiency
- Dose** : 30 ml per 15 Liter water / 1 ltr per acre in Drinching
- Application Time** : At any time
- Packing** : 250 ml, 500 ml, 1 Ltr.
- Bulk Packing** : 50 Ltr / 200 liter HDPE Drum

Phosphorus

- Content** : Nitrogen + Phosphours Deliver from Available source with 16 types of micronutrients and Natural Amino Acids.
- Function** : Increased growth of Roots and plant to fulfill Phosphorus deficiency
- Dose** : 30 ml per 15 Liter water / 1 ltr per acre in Drinching
- Application Time** : At any time
- Packing** : 250 ml, 500 ml, 1 Ltr.
- Bulk Packing** : 50 Ltr / 200 liter HDPE Drum

Potash

- Content** : Natural Potash + Nitrogen Deliver from Available source with 16 types of micronutrients and Natural Amino Acids.
- Function** : Increased growth of Roots and plant to fulfill Potash deficiency
- Dose** : 30 ml per 15 Liter water / 1 ltr per acre in Drinching
- Application Time** : At any time
- Packing** : 250 ml, 500 ml, 1 Ltr.
- Bulk Packing** : 50 Ltr /200 liter HDPE Drum

NPK

- Content** : Nitrogen + Phosphours + Potash mix Deliver from Available source with 16 types of micronutrients and Natural Amino Acids.
- Function** : Increased growth of Roots and plant to fulfill N +P+K deficiency
- Dose** : 30 ml per 15 Liter water / 1 ltr per acre in Drenching
- Application Time** : At any time
- Packing** : 250 ml, 500 ml, 1 Ltr.
- Bulk Packing** : 50 Ltr / 200 liter HDPE Drum
