About Us

M/S Navrass Production is a leading manufacturer, supplier and exporter of high quality brass hardware and decorative fittings. At the centre of all our products is craftsmanship and innovation, with a wide selection of products available such as Brass Cup Pulls, Brass Handles, Brass Cabinet Knobs, Brass Cabinet Hardware, Brass Rope and Curtain Fittings, and many others ranging from architectural to furniture related accessories. We are creating products that will increase the function and beauty of residential, commercial and hospitality spaces. The brass hardware sector is a demanding one that requires a perfect balance of durability, elegance, and precision. M/S Navrass Production use traditional metalworking skills with modern manufacturing processes to produce products that satisfy modern design demands. Each item is meticulously crafted for exceptional finish, precision, and durability.

Architects, interior designers, furniture manufacturers, contractors, retailers and wholesalers alike all trust our collection for reliable hardware solutions. Our products can be used in a variety of interior designs and applications, from traditional to contemporary.
