About Us

Our business, Global Metals & Alloys, is committed to delivering the best industrial minerals and scrap for use in a range of industries. Our products are guaranteed to fulfil the highest standards of quality and environmental responsibility because these minerals are obtained from reputable and ethical mining operations. We deliver goods like MS Scrap, Low Carbon Ferro Chrome, Manganese Metal Flakes, High Carbon Ferro Manganese, and much more to clients within a stipulated time frame.

With our wide range of products, Global Metals & Alloys, has been ruling the hearts of customers since 2021. Our exquisite selection includes Ferro Silico Calcium, Silico Metal, SS Scrap, Manganese Ore and more. These goods are procured from certified vendors and tested at our plant in Kolkata, West Bengal, India. Right from the very first deal our company has exceeded expectations of buyers and attained optimal client satisfaction in all deals. Our team also pay careful attention to the feedback received and takes immediate measures as per the same. We are truly an ideal match for customers who are looking for worth of their money.
