## About Us

Committed to deliver superior quality non woven fabric, Mittal Polyfil, has developed its expertise in offering supreme quality fabric and yarn that symbolize quality, creation and innovation. Started in the year 1994, we are known as the leading manufacturer and exporter in the industry. The presence of modern manufacturing and processing facilities has enabled us to provide our clients with world class PP Non Woven Fabrics, Spunbond PP Fabric, Non Woven Curtain Tape, PP Non Woven Fabric Roll, etc. Manufactured in compliance with the international quality standards, our range is highly appreciated for its perfect finish, high tensile strength, dimensional accuracy and many more attributes. With our uncompromising attitude towards quality and authenticity, we enjoy a respectable position among our clients based in Asia, USA and other countries of the world.

We have highly competent team of professionals who help us in offering diversified range of assortment to our customers. Our team comprises engineers, technicians, quality controllers, sales personnel and others. With their expertise and skill, we are able to understand our client's requirements and offer products that match their specific needs and requirements. We regularly conduct training programs for our competent team so that they stay well informed of the developments taking place in their respective domain.

Being a quality conscious organization, we offer excellent range of fabric and yarn to our esteemed clients. For this, we have established a quality control lab, where our entire assortment is inspected as per the recommended norms of the industry. To ensure flawless range, our team of quality controllers inspect entire process minutely beginning from procuring raw materials till final shipment of our finished Spunbond PP Fabric, Non Woven Curtain Tape, PP Non Woven Fabrics, PP Non Woven Fabric Roll, etc.
