About Us

Shri Ekvira Enterprise, established in 2019 in Mumbai, Maharashtra, is a dynamic proprietorship firm recognized as a leading manufacturer and trader of industrial automation products. Our product portfolio includes Fuji Servo Drive, Fuji Servo Motor, Power Control And Automation Panel, Delta Ac Servo Drive, and other related solutions, all designed to meet the evolving needs of modern industries. Each product we supply is carefully selected or manufactured to ensure premium quality, durability, and reliable performance, making us a trusted partner across various sectors.

From the very beginning, our mission has been to combine quality with affordability. This approach has helped us gain a strong foothold in the market, where our products are consistently appreciated for their efficiency, precision, and cost-effectiveness. We focus on maintaining long-term relationships with our clients by offering products that not only meet but often exceed their expectations.
