About Us

Planishor Pharma is an ISO 9001-2015 and WHO certified, Neuro-Psychiatry Product Base PCD Pharma Franchise Company in India. Having our presence across India, we are engaged in marketing, trading and supplying a wide range of quality assured Pharmaceutical Medicines. We work with the focus to provide medicines that help in improving the health and quality of life of patients. We provide a range of pharmaceuticals that are prepared under special instructions of the professional team of skilled chemists and quality professionals as per the WHO- GMP standards. With out franchise, we provide lucrative business opportunities to customers. We are functioning under the leadership of director, Mr. Pankaj Khanna. We have earned a customer base of over 290 B2B customers in Pan India as per recent data of February, 2024. By the end of the next financial year, we want to establish a chain of 1000 clients.

We are making excellent progress in the domain, under the decisions and leadership of our sales head, Mr. Ashwani Singh. His skills, intelligence, and motivation to team members make us register high sales. With the support of our team and reliable vendors, we also take orders for 3rd party manufacturing and deal with many specialized neuropsychiatry medicines.
