About Us

Under the inspiring mentorship of **Mr. Mansoor Pasha**, we are quickly taking our firm, **R Minerates** to national heights of success and prosperity. Our ambitious firm is making its mark in the markets across India by providing supreme quality of scraps & other materials that have requirements and applications in diverse areas. By working as a **trader** and **wholesaler**, we are fulfilling the growing demands of industries & individuals who seek for procuring top-quality material at reasonable prices. Our offerings range from **MS Boring Scrap, Steel Boring Scrap, LD Paper Scrap, HD Plastic**

From the very first day, our main endeavor is towards winning the trust of customers in the domain so that, long-lasting business relations can be maintained with them. Every action taken by our firm is in the direction of creating convenience and resourceful for the customers with which, they can avail a satisfactory experience in the overall business deal.

For handling bulk amount of materials in a safe and reliable way, we have a capacious warehousing area established at Tumkur (Karnataka, India). Our warehouse is maintained in a well-organized manner by a team of housekeeping personnel to securely store large quantity of items like MS Boring Scrap, HD Plastic Scrap, Industrial Plastic Scrap, CNC Powder, LD Paper Scrap, Steel Boring Scrap and others for long-time. At our premises, we keep only quality assured and well packed products that are ready to be dispatched to customers. For shipping the material in safe & prompt manner all across the country, we have reliable logistics facilities.
