## About Us

Knit Zone is a reliable manufacturer, supplier, and exporter of Fleece Fabric, Auto Stripe Single Jersey Fabric, Bamboo Single Jersey Fabric, Knitted Denim Fabric, Flat Back Rib Fabric, and more. We produce a diverse range of fabrics suitable for men's, women's, and children's apparel, renowned for their smooth texture, variety of designs, distinct patterns, and competitive pricing. Our garments are designed for durability, capable of withstanding rough use, and resistant to fading even after multiple washes, establishing us as a reliable company in the industry. Our offerings are not only fashionable and trendy but also inherently robust. Our organization is well-equipped to handle bulk orders due to our advanced infrastructure and high-quality packaging facilities, ensuring timely delivery. Prior to dispatch, all manufactured products undergo rigorous quality inspections.

Our commitment to quality distinguishes us as a respected manufacturer of fabrics and garments. We have prioritized quality since the inception of our operations. Before sourcing raw materials from suppliers, we ensure that they are certified and that each product undergoes quality verification. We also uphold quality standards in our packaging processes. We possess in-house laboratory facilities for essential testing, including yarn count, strength, GSM, rubbing fastness, and washing fastness. Our packaging solutions are among the best in the industry, designed for the secure wrapping and strapping of cartons. Our major market includes Cyprus, UAE, Europe, Sri Lanka, Middle East, etc.
