About Us

Sarjudas Enterprise is working as a trader, supplier and wholesaler of various types of automotive oil and grease. The range includes Gulf Harmony 68 Hydraulic Oil, Mobil SHC 636 Lubricating Oil, Mobil Grease Polyrex EM Grease, Shell Gadus S2 V220 Grease, etc. We understand that the performance of a vehicle depends largely on the right lubricating oil and with our range, we have created the difference between us and our competitors. We offer some of the best quality lubricating oils that keep the engines perform smoothly and efficiently. We have collaborated with some reputed manufacturers and procured premium products. Since our inception in 2020, our aim has been to make the business process simple and efficient for clients - from initial enquiry to the delivery of orders.

We possess a deep understanding of the various types of oils and lubricants available in the market, including their properties, performance characteristics, and compatibility with different vehicles. Also, we follow the industry trends and regulations to ensure that the oils we offer meet the changing demands of the market while complying with relevant environmental and safety standards.
