About Us

As a company that consistently meets or exceeds its clients' expectations, Alonza International in Morbi, India, is widely regarded as a leader in the tile industry. Double Charge Tiles, GVT Tiles, Nano Tiles, Wooden Planks, Wall Tiles, Floor Tiles, Parking Tiles, and More - Top Quality Guaranteed! Brands we have created have become well-known both at home and abroad. We have over two hundred tile products available, all of which will add a touch of class and elegance to your home or business.

We are known as one of the top tile exporters in India and ship our products all over the globe. Alonza is dedicated to ushering in a new age of beautiful and dazzling environments by regularly updating its vision and beliefs. Our products are reliable and consistently designed, and we also provide a wide variety of different styles. We can assist you in locating the ideal tile for any room in your house, whether it be the bathroom, living room, kitchen, or backyard. The talented group of product designers at Alonza fashioned stunning tile patterns. On the other hand, because of our superior manufacturing knowledge, we could make robust and first-rate products. Please allow us to assist you in discovering this amazing world by using our unparalleled expertise, insight, dedication, and variety.

We guarantee thorough quality control at every level of production. To maintain a high level of output and product quality, we have created a pleasant workplace for all employees. We run operations meticulously, adhering strictly to the quality policy. Our company encourages its dealers, distributors, and stakeholders to speak freely with one another. It guarantees efficient operations and high-quality control across the board, from GVT Tiles to Wooden Planks to Floor Tiles. With the support of over 2,000 dedicated distributors, we have expanded our business and fulfilled the growing demand for our industrial machines and ceramic tiles across the world. Since the needs of our clients are constantly evolving, we strive to provide unrivaled quality at all times. Our commitment to quality has earned us a slew of prestigious clients like Amrapali Group, Netto, Casa Grande Private Limited, Ajnara, Ansal API, etc.
