About Us

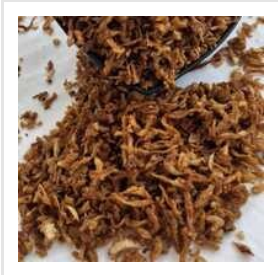

Liza Foods And Spices operates as a manufacturer, exporter, and supplier dedicated to delivering premium dehydrated onion solutions to food industries and culinary professionals worldwide. Coated fried pink onions, fried onion granules, dehydrated fried white onions, and a wide variety of food items. The company focuses on quality processing, hygienic production, and consistent supply to meet the growing demand for convenient and flavorful ingredients across domestic and international markets.

Based in the heart of the onion-growing belt of Mahuva, Gujarat, Liza Foods And Spices is a distinguished manufacturer, exporter, and supplier established in 2015. The company is a global leader in the agro-processing industry, specializing in the production of high-value culinary ingredients that offer a long shelf life without compromising on natural essence. The primary product range features Coated Fried Pink Onions, Fried Onion Granules, Dehydrated Fried White Onions, and other food products. Operating from a state-of-the-art facility, the enterprise utilizes advanced dehydration and frying technologies to ensure that every product retains its rich flavor, crunch, and nutritional profile. Our infrastructure is designed to meet international food safety standards, allowing us to export premium dehydrated solutions to diverse culinary markets worldwide. Liza Foods And Spices has developed a streamlined supplying facility and a robust logistics network that ensures optimal freshness and consistent quality with every shipment.
