About Us

Known in domestic and international markets as a reliable company, we, Digital Telemedia Technology Private Limited, have won the hearts of customers with our exceptional solutions. Our product line includes Set-Top-Box, Set-Top-Box Stand, Universal Single KU Band LNB, TWIN KU LNB, Mobile Chargers, Adapter 12 V-1500/1000 MA, AV Cable, HDMI Cables, Bluetooth Earphones, etc. These products are highly trusted for their incomparable performance and long life. Our A-grade brands are available at market leading prices which is one of the reasons behind their great demand. All our products are tested before the shipment. The auditing is done on various parameters such as dimensions, performance and power consumption. For the procedure, we have established a separate unit which is equipped with modern testing equipment.

In very less time, we, Digital Telemedia Technology Private Limited, have successfully acquired a reputed position in markets. Our exclusive product line includes Digital Telemedia Set Top Box, Fast Mobile Charger, Universal Single KU Band LNB, TWIN KU LNB, 3.4Amp QC3.0 Fast Mobile Charger, etc. These creations are supplied from our premises located in New Delhi (India). Our world-class array is available at reasonable prices for the ease of customers who trust us over others. Along with our range, they appreciate our perfection-focused approach, honesty and punctuality. Our name is highly recommended to others by our regular clients. This has been the reason behind our enormous success in such less time period.
