

TRIMURTI[®]

SUNDARTA KI PEHCHAN

Premium
**- GYPSUM -
BOARD**

DESCRIPTION

Trimurti Premium Gypsum Board features a high-quality, aerated gypsum core encased between two robust paper liners. This versatile board is designed to meet essential fire resistance, structural integrity, and acoustic performance requirements. It has an ivory paper finish on the front and a grey paper backing. It is also a common fire barrier used in home and general building construction.
