About Us

We, Urja Equipment, are one of the reputed manufacturing companies, specializing in designing and producing high-quality industrial units that are efficient, reliable, and customized to meet the unique needs of our customers. Our company, incorporated in 2005, commenced its business operations as a manufacturer, supplier, and wholesaler of high-performance equipment. With decades of experience in the industry, we have built a reputation for excellence in manufacturing Air Handling Units, Dry Scrubber Units, and Air Washer units for commercial, industrial, and residential applications.

Our state-of-the-art manufacturing facility is equipped with the latest technology and is staffed with highly skilled engineers and technicians who are dedicated to ensuring that every unit we produce meets the highest standards of quality and performance. Whether clients need a standard unit or a custom-designed solution, we are committed to providing them with the best possible service and support to ensure complete satisfaction. Moreover, we ensure compliance with all industrial standards while manufacturing these units.
