

About us

R VEE DEE GLOBAL SERVICES is a fast growing service provider having experience and expertise in high quality fittings and valves for Instrumentation, Natural Gas, Hydraulic and Pneumatic applications. Our Fittings and Valves are designed and manufactured to withstand the requirements of high quality, performance, reliability and safety. They are most suitable for use in wide range of industries like Chemicals, Petrochemicals, Food & Beverages, Pharmaceuticals, Hydraulics, Pneumatics, Instrumentations, Marine, Oil & Gas, Power Generation, Pulp, Paper, Semiconductor, Alternative fuels etc.

R VEE DEE GLOBAL SERVICES is a growing company in Asia, Africa & Europe and is committed to delivering market-leading products that help increase and improve performance for our clients all over the world.

INDUSTRY SEGMENTS WE SERVICE

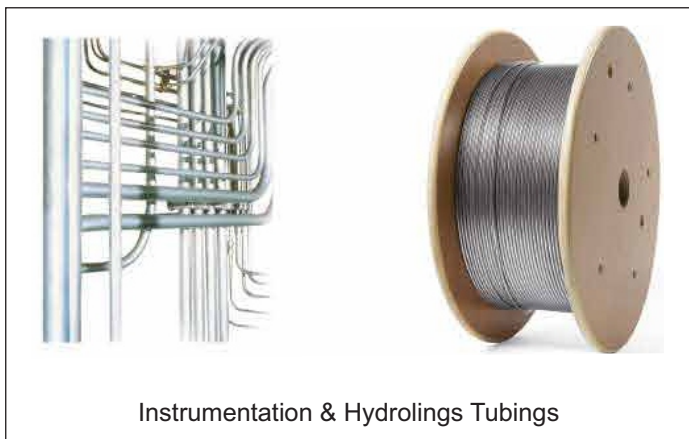

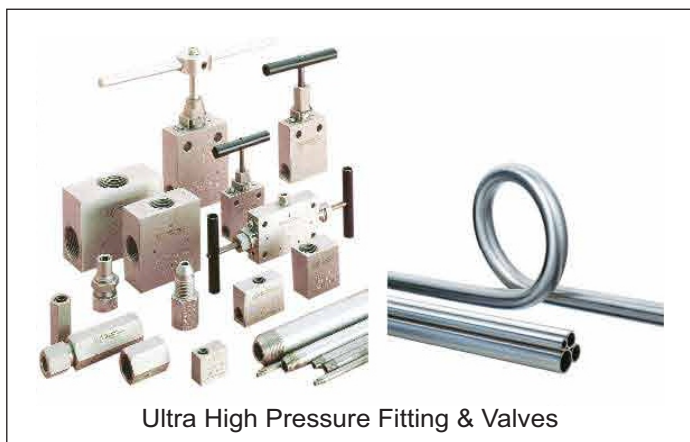

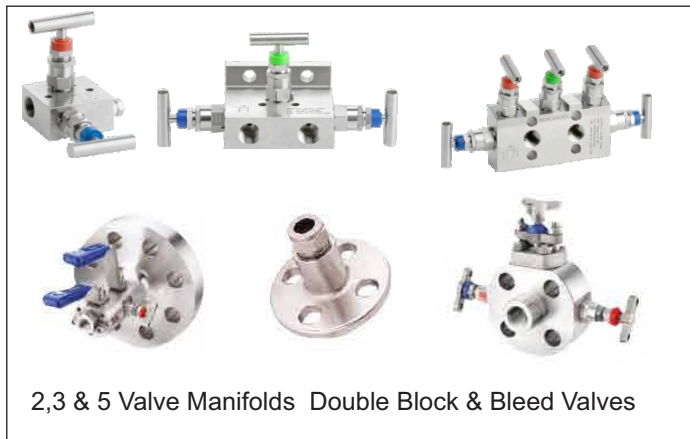

Oil & Gas	Power and Desalination Plants	Petro-chemical
Process Industries	Food & Pharmaceuticals	Beverage & Cosmetics
District Cooling System	Metal & Minerals	Cement Plants
Environmental Engineering	Marine & Shipbuilding	Pumping stations
Waste and Waste Water Treatment	High Voltage Industry	Electro Mechanical & HVAC
CNG Stations	Hydraulics	Smelters

OUR EXPERTISE

Heat Tracing
Filtration Services
Hydraulic Services
Product Training
Technical Support
Engineering Services
Testing & Calibrations Services

Cathodic Protection
Industrial Oil Field Equipments
Installation & Commissioning
(CNG/LPG/LNG/PNG)
Equipments
Man Power Supply & Training

INSTRUMENTATION PROCESS CONTROL

FILTRATIONS SERVICES

Fuel Filter & Water Separators

Air & Gas Filter

Compressed Air & Gas Filters

Compressed Air & Gas Filter

Hydraulic Filters Fluid Conditioning Monitor

Portable Filtrations Trolleys

Gas Filters

Basket Gas Filter & Heat Exchangers

HYDRAULIC SERVICES

Hydraulic Hoses & Fittings

Thermopresto Hoses & Fitting

High Pressure Hoses & Fittings

Stainless Steel Flexible Hoses

Composite Hose Pipe

Cam & Grove Coupling

Stainless Steel Jubli Clips

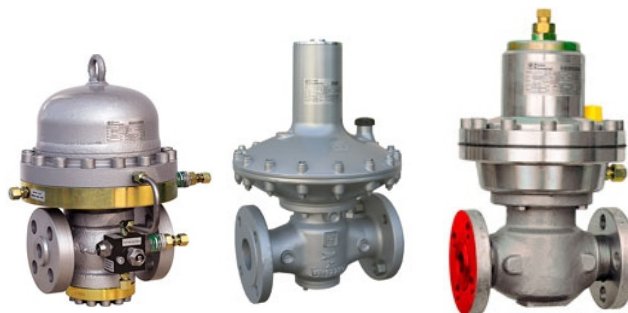

Hammer Union Coupling

METERING & REGULATION

Pilot-operated Gas Pressure Regulators

Direct-acting Gas Pressure Regulators

Gas Governors

Safety Devices

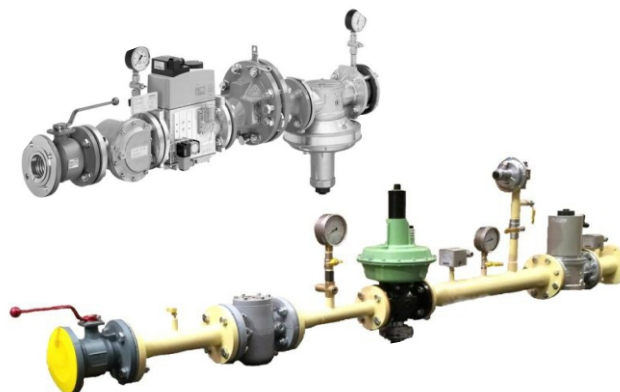

Flow Meter

Volume Converters

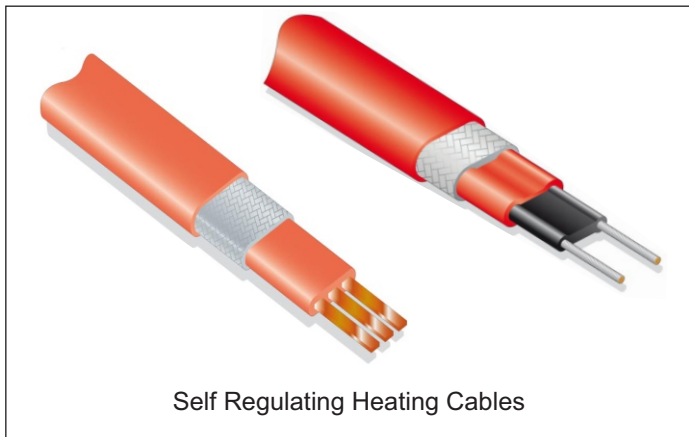

Pressure Reducing Metering Systems

Gas Trains

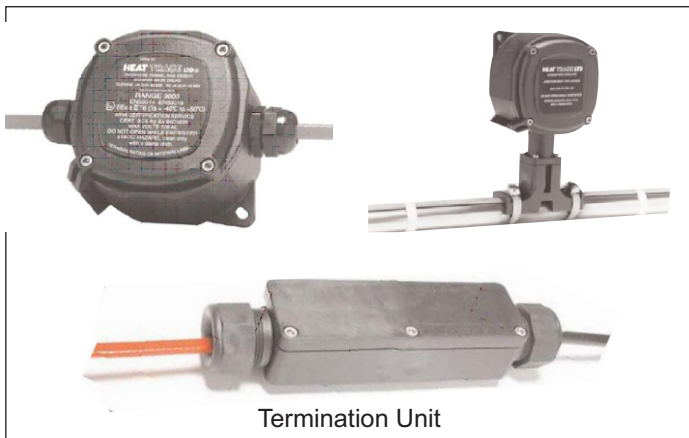

HEAT TRACING & CATHODIC PROTECTIONS

Self Regulating Heating Cables

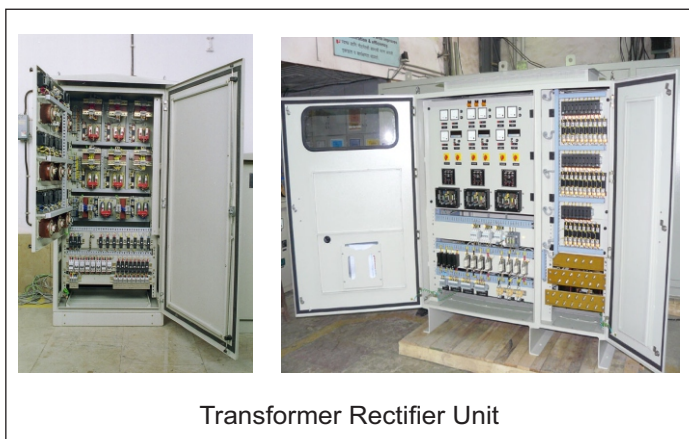

Temperature Control and Monitoring

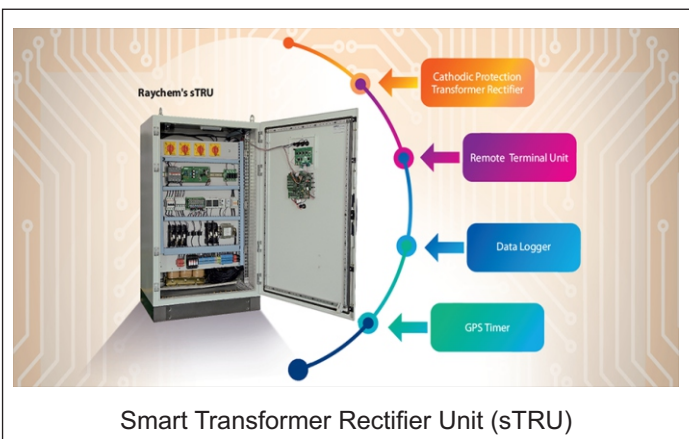

Termination Unit

Heat Shrinkable Sleeves

Transformer Rectifier Unit

Smart Transformer Rectifier Unit (sTRU)

Mica Band Heaters
