About Us

With the development and construction projects across the country, demands for high quality underground pipes have tremendously increased. Every municipality and every builder wants underground drainage and a cable network. To meet this requirement, we, Rudrax Polymers Private Limited have commenced our journey. We are an exclusive manufacturer of HDPE DWC Pipes that are environment friendly, capable of taking heavy tension, resistive to corrosion, easy to bend & easy to join with a couple, having excellent ring stiffness and longer in life than other pipes.

Our business entity holds expertise in serving these pipes in different grades, sizes, diameter and specifications. In our portfolio, we have HDPE DWC Underground Pipes, HDPE Black DWC Pipe, HDPE Orange DWC Pipes, HDPE DWC Underground Pipe and HDPE Round DWC Pipes. Each piece at our premises is made with high care and perfection from quality examined HDPE material. Further, we love nature and we take several measures to ensure that our works do not harm the environment. We never dispose of waste HDPE material in open surroundings.
