About Us

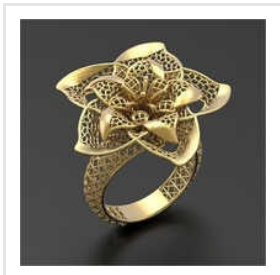

Fashionable women are aware that jewelry not only improves their appearance but can also make their boring outfits stand out. The ideal accessory can enhance the wearers overall appearance and help you create the desired fashion statement. The majority of people enjoy wearing jewelry to make themselves appear stylish and to meet the demand of customers associated with the same, we started our company. We, Pangem Enterprises & Pangem Testing Laboratory, are a reputable manufacturer and supplier of Blue Sapphire Gems Stone, Diamond Gems Stone, Casting Jewellery Ring, Ladies Gold Necklace Set, etc. We are also active as a service provider of Gem Testing Services and are accomplishing our business operations in an exceptionally well manner.

With the help of our logistics department and a productive team, we are able to deliver the required consignments to the clients location within the allotted time frame. Thanks to Mr. Aatish Panjikars excellent leadership, we were able to successfully define a distinctive path for ourselves in this industry. His commercial sense and managerial skills enable us to accomplish the set organizational goals. Today, we have emerged as a credible entity that serves customers with honesty and commitment to excellence.
