About Us

Under the leadership of Mr. Girish Baldha, we, Baldha Industries Private Limited, are meeting the needs of buyers associated with multiple products. Our collections include Toilet Cleaner, Liquid Dish Wash, Liquid Bio Detergent, Citronella Fragrance Mosquito Incense Stick, etc. that are effective and worth buying. The strong business sense of our head has enabled our company to emerge as a reliable manufacturer and supplier of the respective industry. Our company has the best facilities because of which we are able to effectively serve clients. Using the latest techniques of production, we are meeting the bulk orders associated with the above-mentioned array. Our range is made available to customers in various net quantities so they can buy as per their requirements. Further, we charge impressive rates for the entire array, which meets customers budget and enable us to make them happy.

We have tied up with the licensed vendors so that we can procure the best material for our products. We go through their past records, check the samples, analyze their policies and make sure they are deadline-oriented. After receiving the stock from them, we test the same in our unit and once we get assured about their quality, the management grants permission to the production team to use the material. The assistance of our team, modern facilities, business associates and leadership of our mentor have allowed us to come a long way and emerge as a reputed enterprise with a 100% satisfied client base.
