## About Us

One must always be prepared well in-advance for the changing climate. Thus, preventing being caught up unaware during crisis situations. Monsoon season is one of the seasons when everyone needs to be on charge for protecting themselves from sudden rainfall, especially when they are traveling. Although many of us use umbrella to prevent ourselves from getting wet, yet these never provide full protection and we end up being drenched. The ideal solution to get full protection from the rainfall is to use raincoats of unmatched quality. And, when it comes to buying raincoats of nonpareil quality at competitive price, exploring the raincoat collection offered by Dave Waterproof Works is the right choice. Fantasy Rain Suit, Dreamgirl Kids Raincoat, Panther Raincoat and Ladies Fancy Raincoat are to name a few products from our large range. Apart from these, we deal in a wide variety of Satin Baby Mat and Air Pillow, as well.

With our manufacturing unit in Kolkata, West Bengal, India, we, Dave Waterproof Works, have been manufacturing Satin Baby Mat, Ladies Fancy Raincoat, Air Pillow, etc., of unmatched quality ever since our establishment in the year 1984. Some of the many attributes for which our Ladies Fancy Raincoat and other products are appreciated in the market includes breathability, perfect fit, comfort, and their availability in myriad of colors and designs.
