About Us

Sona T C Pottery was founded in 2010 and manufactures Terracotta Kitchenware, Terracotta Plates, Terracotta Jewelry, Clay Pot, Ceramic Diffuser, Terracotta Bottle, and other product. We manufacture our products using top-quality materials that we buy from reliable market suppliers. We also provide our products at fair prices and deliver them on time to the customers. We have skilled workers on staff that stay current with cutting-edge production methods. We also have a quality testing department where we examine our products against predetermined standards including design, finish and quality. In addition, our facilities are outfitted with the tools, technology and machines required to manufacture our high-quality products.

We are expanding at a unique rate in the industry because to the invaluable advice of our mentor, Ms. Surbhi. She has worked in the industry for a considerable amount of time, giving her a wealth of industrial expertise that helps us to comprehend the requirements of our clients.
