PRODUCT CATALOGUE

PP STRAP ROLL

(Polypropylene Strapping Rolls)

KKGROUP[®]
I N D I A
S i n c e - 2 0 2 0

APPLICATIONS:

Used for bundling, carton sealing, unitizing, and palletizing in various industries (automotive, pharma electronics, etc.)

PRODUCT HIGHLIGHTS:

- » Lightweight yet strong
- » Moisture & chemical resistant
- » Suitable for semi-auto, Fully auto and manual machines
- » Custom print available (brand/logo)

Automotive

Pharma

Electronics

Parameter Details

Width	8mm / 9mm / 12mm / 15mm / 19mm
Thickness	0.5mm to 1.2mm
Color	White, Black, Green, Blue (Custom on request)
Roll Length	1000m to 3000m (Based on specs)
Printing	Plain / Custom Printed
Core Size	200mm / 406mm

Manual /semi automatic / fully automatic

STRETCH FILM

(Plain & Printed)

APPLICATIONS:

Ideal for pallet wrapping, cargo protection and product bundling during transit.

PRODUCT HIGHLIGHTS:

- » High stretchability & puncture resistance
- » Transparent and glossy finish
- » Available in manual & machine-grade
- » Printed film for branding (MOQ applies)

Pallet

Cargo

Other

Parameter	Details
Width	50mm to 1200mm
Thickness	15/23 /29 /51 Micron
Color	Transparent / Black / Custom
Type	Manual Grade / Machine Grade
Printing	1 and 2 colors (customizable)
	Manual /semi automatic / fully automatic

BOPP TAPE

(Plain & Printed)

KKGROUP®
INDIA
Since - 2020

APPLICATIONS:

Used for sealing cartons, eCommerce packaging, labeling, and branding.

PRODUCT HIGHLIGHTS:

- » Strong adhesion & long shelf life
- » Available in multiple widths & lengths
- » Custom branding with multicolor print
- » Ideal for industrial & commercial use

Color	Transparent, Brown, Milky, Custom
Adhesive Type	Acrylic Water-Based
Printing	1 to 3 colors / multicolor (text and logo)
	Manual /semi automatic / fully automatic

PET STRAP

FEATURES

- » High tensile strength & flexibility
- » Rust-proof & moisture resistant
- » Lightweight & safe to handle
- » Suitable for both manual and machine use
- » Excellent elongation recovery

COMPATIBLE WITH

- » Manual tensioners & sealers
- » Pneumatic strapping tools
- » Semi & fully automatic strapping machines

AVAILABLE SIZES

Width: 9 mm to 19 mm
Thickness: 0.70 to 1.27 mm
Core: 406 mm / 200 mm
(custom options available)

POF SHRINK FILM

(Polyolefin Shrink Film)

KKGROUP[®]
INDIA
S i n c e - 2 0 2 0

FEATURES

- » High Clarity & Glossy Finish – Excellent product visibility
- » Strong & Puncture-Resistant – Withstands rough handling
- » Safe for Food Contact – FDA approved (if needed)
- » High Shrink Rate – Tight, uniform seal around the product
- » Non-toxic & Odorless – Cleaner alternative to PVC

SPECIFICATIONS

- » Thickness: 12 micron, 15 micron, 19 micron, 25 micron
- » Roll Width: Customizable as per machine requirements
- » Length per Roll: Typically 500m to 3000m (depending on thickness)

INDUSTRIES USING POF FILM

- » Food & Beverage
- » Pharmaceuticals
- » E-commerce & Retail
- » Stationery & Toys
- » Electronics

LD/LDPE FILM

Low-Density Polyethylene Film

FEATURES

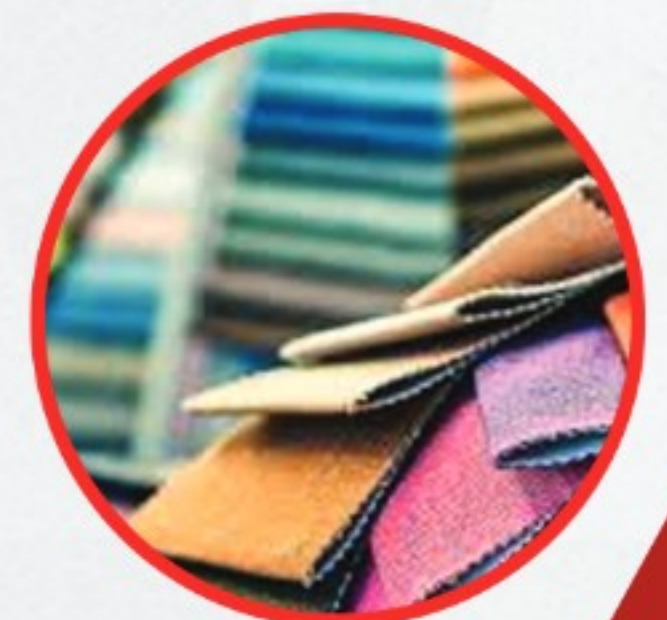

- » Soft and flexible
- » Transparent or translucent
- » Moisture-resistant
- » Lightweight
- » Can be heat-sealed
- » Recyclable

SPECIFICATIONS

- » Thickness: 20 to 200 microns
- » Width: As per requirement (e.g., 100 mm to 2000 mm)
- » Type: Plain or printed
- » Roll or sheet form
- » U.V. treated (for outdoor use)

INDUSTRIES USING POF FILM

- » Food & Beverage
- » Pharmaceuticals
- » Textiles and Garments
- » Logistics and Warehousing
- » Construction
- » Retail and E-commerce

PP FILM

Polypropylene Film

KKGROUP[®]
INDIA
Since - 2020

FEATURES

- » High transparency and gloss
- » Moisture-resistant
- » Tear-resistant and durable
- » Recyclable and eco-friendly
- » Excellent printability (ideal for custom branding)
- » Available in plain / printed laminated / metallized

SPECIFICATIONS

- » Thickness: 12 to 60 microns (customizable)
- » Width: As required
- » Roll or Sheet form
- » Color: Transparent, milky white custom
- » Core Size: 3" (76mm) standard

INDUSTRIES USING POF FILM

- » FMCG (snacks, biscuits, etc.)
- » Textile Packaging
- » Stationery
- » Pharma & Health
- » Food Packaging
- » Gift Wrapping

CUSTOMIZATION OPTIONS:

- » Multicolor printed film with your brand
- » Perforation or slitting as per machine size
- » Anti-fog or UV-coated
- » Heat sealable

CORD STRAP

Composite Strap / Woven Strap

FEATURES

- » Made from high-tensile polyester yarns
- » Strong as steel but lightweight and safe to handle
- » Rust-proof and weather-resistant
- » Shock absorbent – retains tension during transit
- » Does not damage products or hands
- » Recyclable and eco-friendly

INDUSTRIES USING POF FILM

- » Wooden Pallets & Crates
- » Machinery & Equipment
- » Auto Parts & Steel Coils
- » Ceramics & Tiles
- » Heavy-Duty Export Packaging
- » Textile Bales, Pipes & Bars

ADVANTAGES OVER STEEL STRAPPING:

No sharp edges – safe to handle

No corrosion, ideal for sea shipments

Easy to re-tension and reuse

Reduces product damage and insurance claims

SPECIFICATIONS

- » Widths: 13, 16, 19, 25, 32 mm
- » Breaking Strength: 300 kg to 2500 kg (varies by width)
- » Color: Mostly white (custom options available)
- » Accessories: Buckles (Galvanized), Tensioners, Dispensers

AVAILABLE TYPES

Composite Cord Strap: Polyester fibers coated with PP; rigid and easy to feed through buckles

Woven Cord Strap: Woven polyester fibers; more flexible and suitable for irregular shapes

ABOUT US

KK Group India is a trusted name in the packaging industry, known for delivering high-quality, durable, and cost-effective packaging solutions tailored to meet the evolving needs of modern businesses. Established with a strong vision and backed by over **5 years** of hands-on experience, we are committed to offering products that ensure maximum load security, product protection, and operational efficiency across various sectors.

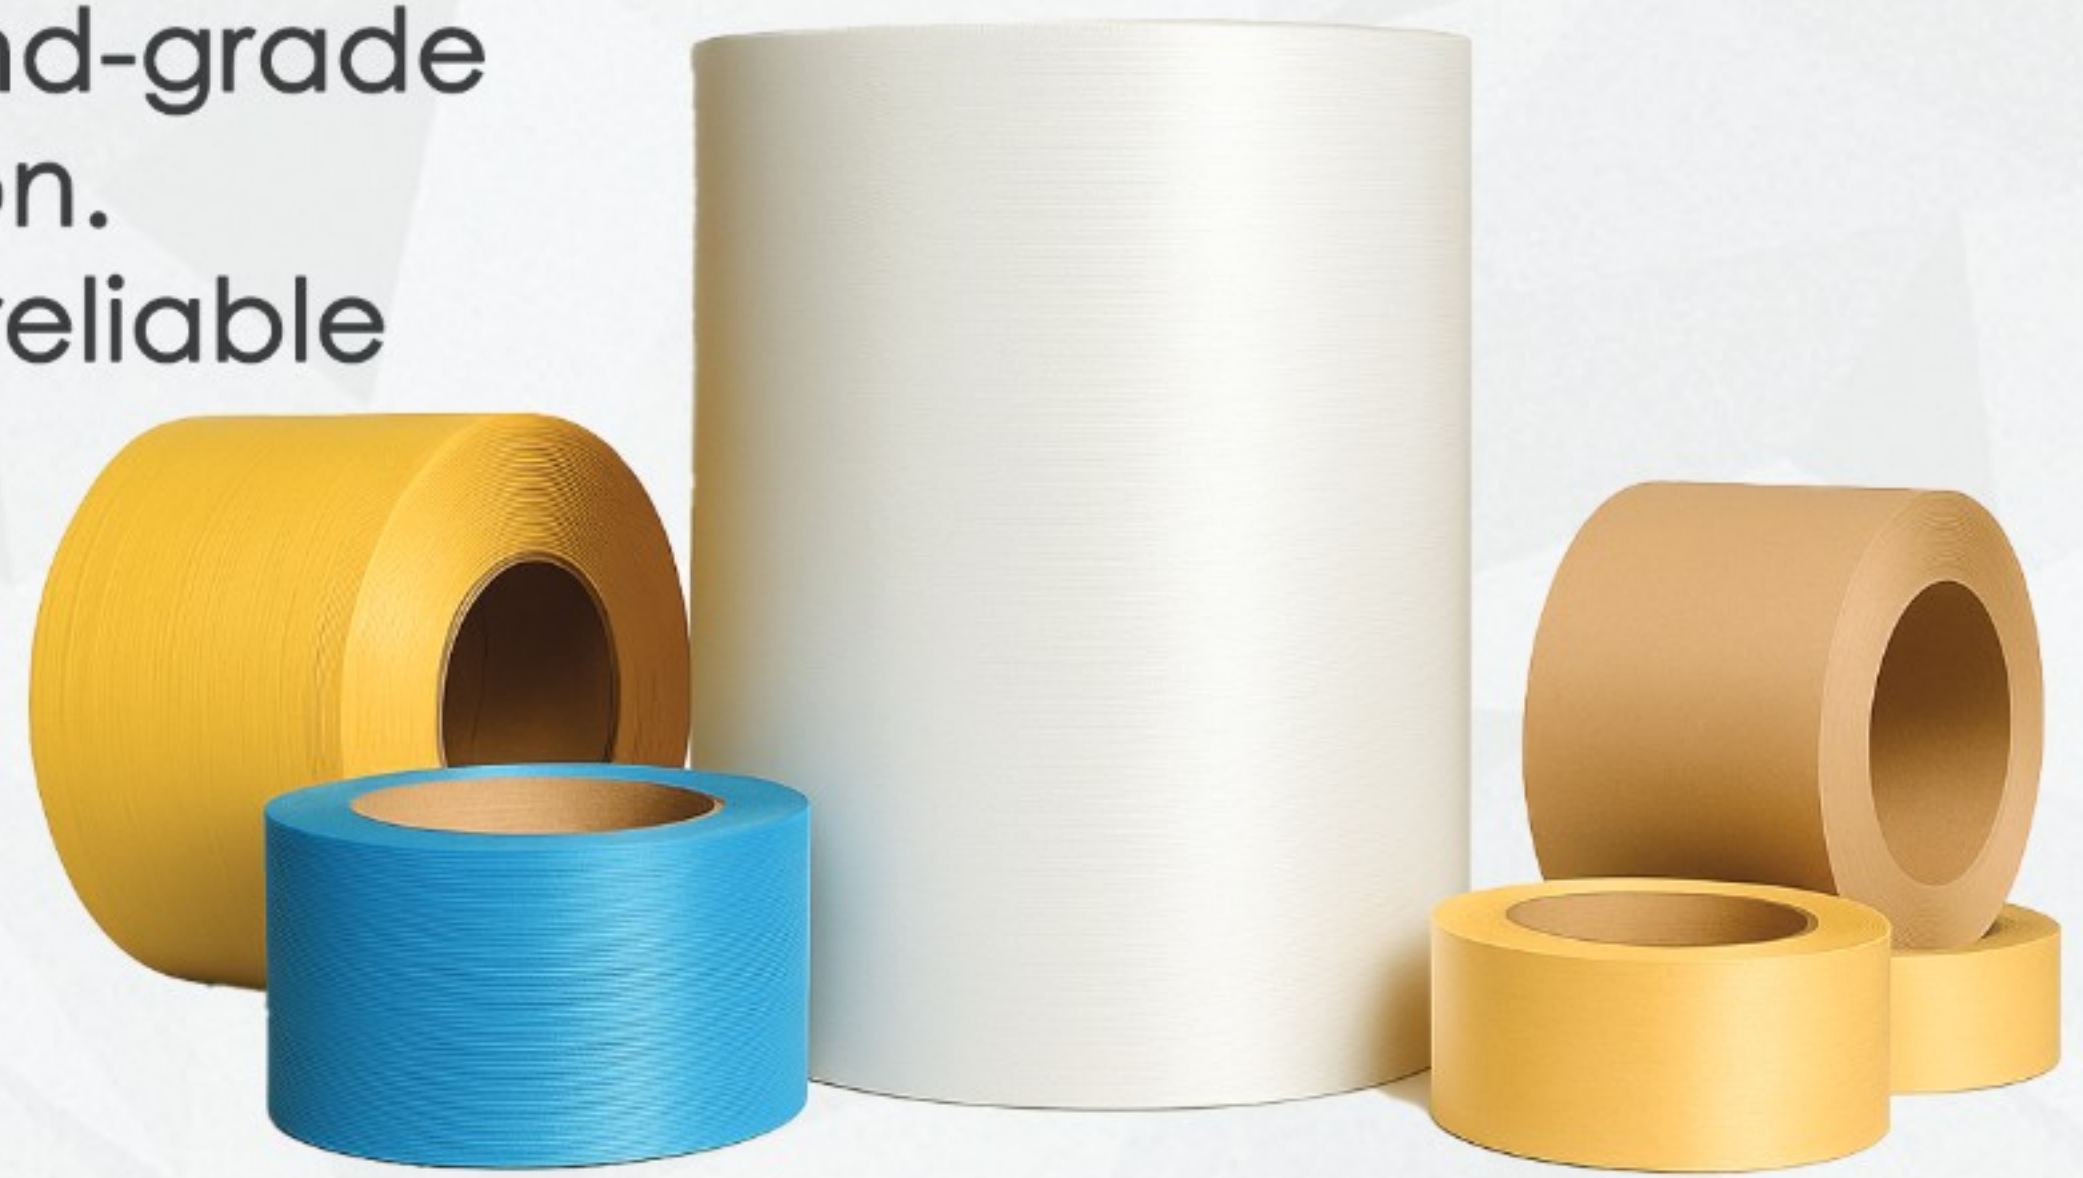

We specialize in the manufacturing and supply of:

PP Strap Rolls – Available in a variety of colors and strengths for secure bundling and packaging.

Stretch Films – Machine-grade and hand-grade films for wrapping and load stabilization.

BOPP Tapes – High-adhesion tapes for reliable sealing, branding, and protection.

Customized Packaging Solutions – Tailor-made to suit the specific requirements of our clients.

OUR MISSION

To become India's leading packaging solution provider by continuously upgrading our technology, enhancing product quality, and exceeding customer expectations.

OUR VISION

To support and strengthen businesses with innovative and eco-friendly packaging materials that are both affordable and reliable.

WHY CHOOSE US?

- » Superior Quality Products meeting industry standards
- » Customized Solutions as per client needs
- » Quick Turnaround Time with reliable logistics
- » Dedicated Customer Support

We proudly serve a wide range of industries including automobile, water tanks, electronics, wires & cables, pharma, food processing, and e-commerce.

At KK Strap India, we don't just deliver packaging products we deliver peace of mind

OUR VALUABLE CLIENTS.
