About Us

Under the guidance of **Mr. Navin Patel (Managing Director)**, our company named **Siddhi Cool Tech Private Limited** has emerged as a reputed manufacturer and supplier. It is the access to modern machines and other needful resources because of which we are capable to meet various requirements of customers associated with **LDPE Ice Pack, High Quality HDPE Gel Ice Pack, HDPE High Density Polyethylene Ice Gel Pack, Vaccine Carrier Box**, etc. In order to design and develop our array, we have hired a diligent team of professionals who work with dedication and in accordance with the international industry norms.

We are a financially strong entity as a result of which we are capable to invest a needful amount in raw materials, machines and resourceful things. It was back in the year 2016 when we started our company and since then there is no looking back. The list of our clients is increasing day by day to meet their demand we are working hard and with complete honesty.

Why Us?

In India, we are the most prominent manufacturer of vaccine carriers, ice gel packs, and other cold chain equipment. We have a large client base all around the country thanks to our extensive industry experience and high-quality product line. The following are some of the reasons why we have become the customers first choice:

- ✿ Only high-quality products are delivered by us after testing them on various parameters before dispatch.
- ✿ A skilled team of professionals is hired in the company that enables us to meet organizational goals.
- ✿ Ethical business policies are practiced by us as we are a highly professional firm that leaves no stone unturned to meet organizational goals.
- ✿ Payments via easy modes are accepted by us from which customers can pay us via any mode which is convenient to them.
- ✿ We have transparent dealings, a wide distribution network and offer customized packaging options.
