## About Us

Indians have always been the connoisseurs of gems, ornaments, diamonds and other precious stones. Trading secrets of jewelry making in India is not new. This art has been passed down over generations to make certain the continuity of traditional craft. Bringing into limelight the skills of several artisans of this domain, we, Sharaj Diamonds, recruit experienced people from different Indian locations for having assistance in carrying out our business activities of manufacturer, trader and exporter of Lab Grown Diamonds, Emerald Cut Diamonds, Black Diamonds, Brown Diamonds, Malee Diamonds and other varieties of diamonds.

Seeing how important diamonds have become in the modern day jewelry making process, we aim to bring forth myriad of diamonds to choose from.

## Quality & Price

The diamond industry is one of those industries that attracts all, unfortunately, is not for all due to their expensiveness. However, we, at our company, work relentlessly, to strike a balance between the quality and price of our Lab Grown Diamonds, Emerald Cut Diamonds and more. Our unfaltering commitment to offer our clients only the best diamonds and customer support services is the reason that we are always loved by them.

## Employees

It is their hard work that aids us in achieving our set targets within the committed time period. Thus, they never fail at impressing our clients with their amazing work quality. By conducting training sessions for them, we ensure that they see themselves growing at professional level.

## Work Culture

Responsibility and authenticity of our Emerald Cut Diamonds and Lab Grown Diamonds are the values that make our work culture. In addition, it is our work culture that defines who we actually are. Needless to say, it is because of the similar reason that our existing clients and potential customers look upon us as a reliable business partner.
