## About Us

Agrimo Agro Industries Private Limited is a well-established company in the Indian agriculture industry which was formed in 2018. We are a growing farming company which is making superior quality agro items such as Humic Acid Liquid Fertilizer, Fruit Special Seaweed Base Formula, PPT Silica Spray Powder, Auxin Plant Growth Promoter, Boron 10.5% Micronutrient Fertilizer and more. With the efficient usage of Science and technology, we have manufactured the agro items as per the requirements of the market. Agrimo Agro Industries is the official brand of the firm under which we sell our products in the domestic marketplace. With efficiency, we are manufacturing the agro products reflected in their superb quality and accurate composition. In adherence to the industry prevailing norms and standards, the whole range is developed and supplied to different parts of the country. Mr. Shivshankar Andhalkar (Director) is the mentor of our company under whose leadership we are able to attain a leading position as a manufacturer, wholesaler and supplier. We always put our best efforts in all the tasks with the motive to achieve excellence in every possible field.

Agrimo Agro Industries Private Limited, as the name implies, is an agricultural product manufacturing firm which is based in Solapur, Maharashtra (India). Holding great knowledge and expertise in producing organic and eco-friendly Bio Powder Fungicide, Type 1 Biopesticides, Spreader Sticker Activator, Liquid Emulsifier, 50% Soya Base Amino Acid, etc. Using the high-grade substances, the agro items are manufactured in compliance with the industrial standards and norms. We have a team of experts who help us in running the business operations in an excellent manner. The professionals utilize the available resources in the best possible manner to get favorable results.
