About Us

We, Angel Wire & Cable Industries, are a reputable manufacturer and supplier of a broad range of products. Our collection includes Submersible Electrical Flat Cables, Alluminium Sarvise Cable, Copper Speaker Cable, Flexible Multi Core Round Cable, etc. Using the most up-to-date machinery, our team of qualified professionals creates these goods utilizing PVC and other materials of the highest quality. The precise design, simple installation, corrosion resistance, temperature resistance, and long life of these wires and cables have made them popular. Also, we provide these wires and cables in a variety of sizes and can tailor them to the demands of the client within the agreed-upon time frame. Heavy-duty applications can also use these wires and cables.

All our items are available in the market under the brands Aqua, Atlas, etc. Mr. Nilesh Bhai, the single proprietor of our company, has assisted us in securing a strong position in the sector. Our mentor exhorts us to labor nonstop and meet client requests by the deadline in order to achieve maximum satisfaction.
