About Us

Established in 2017, Gtech Bipolar Inductions has emerged as a trusted manufacturer and exporter of innovative food processing and kitchen equipment. Our product portfolio includes Timer Controlled Countertop Steamer, Momo Wrapper Machine, Paddle Mixer Machine, Batch Chopper Machine and many other efficient solutions designed to simplify food preparation and improve operational productivity. Over the years, we have built a strong presence in the market by focusing on product quality, practical performance, and customer satisfaction.

Our growing network of branches and business associates across India has enabled us to serve customers efficiently and develop a loyal customer base. We continuously work to understand changing market demands and introduce solutions that combine functionality, durability, and ease of operation.
