About Us

We, Porwal Industries, are a reliable name in the market which began operating in the year 2021 as a manufacturer, supplier and exporter of industrial insulation products such as Blast Furnace Insulation Covers, Alumina Silica Fabrics, Aluminised Fiberglass Sleeves, Drilling Equipment Protection Bellows and other products. These products are designed to withstand extreme temperatures, harsh environments, and heavy usage, and are recognized in the market for their excellent design, accurate functionality and easy affordability. Their popularity is witnessed across markets- one reason we export 20% of these products to various countries across the world.

Under the direction of our mentor, Mr Siddharth Suresh Faganiya, we have been able to succeed in this sector over the years. His subject-matter expertise has helped us build a sizable customer base, worldwide. Furthermore, we are supported by a team of experts with years of experience who hail from different domains and are selected upon being screened against various predefined parameters.
