## About Us

We, Sanjay Ball Co., are a company of high moral values from where the customers can get the right product in exchange of their money. Our enterprise which is operating as a manufacturer, wholesaler and supplier excels in making Precision Steel Balls, Imitation Steel Balls, Small Steel Balls, Stainless Steel Round Balls and a lot more products. It was back in the year 1985 when we started our venture and since then, have grown at a tremendous rate. It is the joint efforts of our professionals that have enabled us to attain grand success and set new records of excellence.

The assistance of modern facilities at our infrastructural unit is enabling us to serve customers with defect-free products and meet their bulk orders today. All our business operations are carried out in a smooth manner as per the predefined guidelines. There are various units in our setup namely production, testing, packaging, warehouse, sales and many more that are helping us work in a systematic manner. All the departments are handled by a reliable team. Our experts make sure that the facilities installed are in good condition, and whenever our facilities require any upgrade, they let the management know about the same.
