## About Us

We aim to make human life safer through our wide range of Earthing Devices that protect them from lightning and electric shocks. An ISO 9001:2008 Certified Company. we, LINK ELECTRICALS BHARATH is a complete solution for presenting an international series of highly conductive and corrosion free earthing system as well as lightning protection systems. Incorporated in the year 2001, we are a progressive manufacturer, wholesaler/distributor, supplier and trader of Electrical Earthing Materials, GI Wires, Stay Wires, Copper Earth Strips, Earth Plates, Earth Wires, G.I Flats, GI Earth Strips, Aluminum Earth Strips, Power Cables, etc.

Based in Delhi, India, Link Electricals Bharath has been a core manufacturer & supplier of lightning protection, Fibre Reinforced Pipes, electrical earthing and other allied products. Committed to serve the energy and power sectors with the best possible products, we have become a major name in the industry. Our product range includes Reinforced Wires, GI Earth Strips, Lightning Arrester, Earthing Electro Rods, and more. Our main objective is to provide excellent products and high level services to customers. With a rich experience in the electrical industry field, we meet the exacting needs of our customers for their particular applications. Also, our products are made to be affordable, maintenance-free and safe.

## Key Facts

<b>No of Staff</b>	10
<b>Year of Establishment</b>	2001
<b>No of Production Lines</b>	2
<b>OEM Service Provided</b>	Yes
<b>Monthly Production Capacity</b>	500 pcs
<b>Memberships</b>	DETA

## Our Products

**Earthing Busbar**

**Three Phase Lightning Arrester**

**Copper Bonded Grounding Rod**

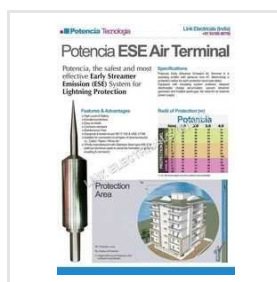

**Standard Lightning Arrester**

**Earthing Lightning Arrester**

**GI Earthing Electrode**

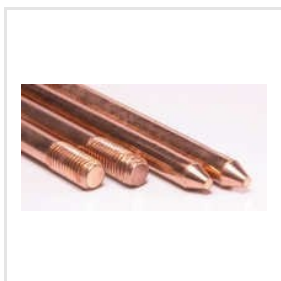

**ESE Lightning Arrester**

**Earthing Electrodes**

**Safe Earthing Electrode**

**Copper Bonded Earthing Rod**

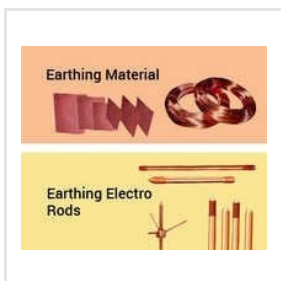

**Cast Iron Earthing Plates**

**Copper Earthing Electrode**

**Earthing Wire**

**Earthing Materials**

**Earthing Copper Plates**

**GI Wires**
