About Us

G S International is one of the leading manufacturers and ISO certified company (ISO 9001:2008) of automatic & computer led Cattle & Poultry and Fish Feed Plant. Since 1990 (Started by Gurcharan Singh), we are serving our customers and are engineering the goods such as Mixer machine, Pellet Machine Hammer Mill, CF Cooler, Horizontal Cooler, Malasses Mixer, Rotary Feeder, Crumblier, Elevator, Conveyors, Vibratory Screens, Dust Collector & Chain Conveyors, etc. We have done various turn key projects in Indian abroad.

Our personnel also provide the clients with customized products as per the requirement. All these factors have helped us cater our assortment to a large clients network in national as well as international markets. These are all manufactured in our advanced manufacturing unit that is equipped with sophisticated technology machinery. This unit facilitates us in designing and developing our products as per the requirements of our clients. Our dedicated technical team is a backbone of our business. We are following the modern technology starting from the design, Fabrication and installation to commissioning of machinery. Our directors of organization Mr. Gurcharan Singh motivate the technical team to do the best for quality in our manufactured machines.
