About Us

We, Ritz Metal Works laid our foundation in the year of 1950 and have been leading as a manufacturer, supplier and trader of a wide variety of door solutions ever since. The fabrication of our high quality goods such as Sheet Helical Door Springs, Ritz 333 Hydraulic Floor Spring, Concealed Door Closer, V White Magnetic Door Catcher, Glass Door Bottom Patch, etc., is done utilizing raw materials which are procured from the best vendors. As we are an ISI accredited company, our assurance of top-notch consistency and longevity in our goods helps us in winning the trust of numerous customers. In this respect we have built a great market footprint covering a large number of clients in different cities.

At Ritz Metal Works we have always given priority on ensuring superior quality of our product portfolio as a business that provides numerous door related products. We have developed our facilities in the industrially transforming city of Ghaziabad, Uttar Pradesh, India, where we obtain the finest raw materials from reputable vendors of the market. Accordingly, we develop our quality-assured range which includes Germany Sewing Door Closer, Corner Lock Patch, Pneumatic Capsule and Chain Door Closers, Chain Concealed Door Springs, Glass Door Top Patch, etc., to various customers in the market. Moreover, as we have offered our goods to customers at the most reasonable rates, their demand is always on the rise.
