About Us

Incorporated in 1997 in Uttarsanda (Gujarat), Super Papad has scaled heights of success under the gifted headship of Mr. Ketan Patel - Partner. We have framed client-friendly business strategies, enabling us to prioritize the interest of the customers.

Infrastructure

Located over a sprawling area of 4,200 square feet, our Snacks are processed using fully automatic Hot Dryer Machinery. Also, we have access to advanced warehousing facility, helping us to store all the Food Products in an organized manner.

Production Capacity : 1200 kg Snacks / 8 hours

Quality

Quality is common in all our Snacks and Food Products. We use the best Udad Dal, Black Pepper, Salt, Papad Khar, Asafoetida, Besan and other ingredients. Also, we make use of 16 kg best quality laminated pouches and paper boxes to store the Snacks and Food Products. Good quality packaging is done so as to ensure increased shelf life of the Snacks.

Client Network

Our network of happy and satisfied clients attests the freshness and high nutritive content of the Food Products, we offer. Our Food Products have gained acceptance in the markets of Gulf Countries, U.S.A, United Kingdom, Australia, New Zealand, Singapore and several African Countries such as South Africa, among others. Some of the reputed names that are there in the list of our satisfied clientele across the globe are :
