## About Us

Mannat Sports Industries is a trusted manufacturer and supplier of high quality outdoor gym equipment based in Jalandhar, Punjab, India. Established in 2017, our company has steadily grown with a focus on promoting health, fitness, and active lifestyles in public spaces. We specialize in designing and producing durable outdoor Outdoor Gym Equipment including Double See Saw Outdoor Chest Press, Outdoor Shoulder Wheel, Outdoor Dual Skier, Outdoor Air Walker, and many more innovative exercise stations.

Our products are engineered using premium grade raw materials, ensuring strength, weather resistance, and long service life even under heavy public use. We prioritize safety, ergonomic design, and user friendly operation to encourage fitness for people of all age groups. Our dedicated team continuously works on improving product design and functionality to meet evolving market needs. With a strong commitment to quality and customer satisfaction, we serve municipalities, parks, schools, residential societies, and fitness centers across India. We also ensure timely delivery, competitive pricing, and customized solutions as per client requirements. Our mission is to make outdoor fitness accessible, engaging, and sustainable for communities everywhere. We continuously invest in innovation and quality testing to ensure superior performance and reliability in every installation for long term client satisfaction.
