About Us

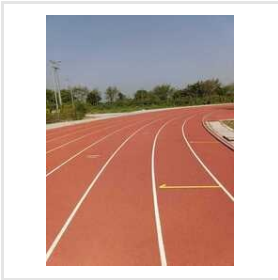

M/S Supra Infra Tech is a trusted supplier and trader of high-quality sports flooring solutions dedicated to enhancing safety, performance, and durability across a wide range of athletic and recreational environments. With a strong focus on delivering reliable and premium products, our company specializes in offering advanced flooring systems such as EPDM SBR Flooring, known for its superior shock absorption, weather resistance, and vibrant color options, making it ideal for playgrounds and outdoor sports areas. We also provide PP Tiles Flooring, a versatile and easy-to-install solution widely used in indoor and outdoor courts due to its exceptional strength and low maintenance requirements. In addition, our PU Flooring range is designed for professional sports complexes, offering seamless surfaces, excellent resilience, and enhanced athlete comfort for activities like basketball, badminton, and multi-purpose halls. At M/S Supra Infra Tech, we emphasize quality, timely delivery, and customer satisfaction, ensuring that every product meets stringent industry standards. Backed by technical expertise and a commitment to continuous improvement, we aim to support schools, gyms, stadiums, and institutions with flooring solutions that promote safe play, long-lasting performance, and modern aesthetics. Our goal is to be a reliable partner in creating world-class sports facilities across India.

Our company, M/S Supra Infra Tech, based in Kanpur, Uttar Pradesh, India, is a dedicated supplier and trader of premium sports flooring solutions designed for safe, durable, and high-performance play areas. We specialize in offering PVC Vinyl Flooring, Synthetic Acrylic Sports Flooring, Vinyl flooring, Multi Sports Turf each crafted to meet modern sports and recreational standards. With a strong focus on quality, reliability, and customer satisfaction, we serve schools, gyms, stadiums, and institutions across India. Backed by expertise and a commitment to excellence, we aim to deliver flooring solutions that elevate every sporting environment.
