# MARK LINES

Welcome to Marklines, a premier name in the manufacturing and distribution of high- quality thermoplastic paint and raw materials. As a leading player in the industry, we take pride in offering a diverse range of products and services that cater to the evolving needs of the market.

## Our Products:

- **Thermoplastic Paint:** Immerse yourself in a world of vibrant and durable thermoplastic paints suitable for various applications.
- **Raw Materials:** Explore our extensive range of thermoplastic raw materials, including C5 resin, wax to2, filler, and more, carefully curated to meet industry standards.
- **Bitumen and Petroleum Products:** From emulsion RS1, SS1 to imported bitumen VG10, VG30, VG40, we provide a comprehensive selection of bitumen and petroleum products.

**Our Reach:** With manufacturing plants strategically located across India in Jaipur, Bhopal, Mundra, and Chennai, Marklines India ensures efficient production and timely delivery. Our commitment to excellence is reflected in every product that bears the Marklines name.

**Global Presence:** Marklines India isn't just limited to the domestic market. We proudly engage in the export of thermoplastic paint, kerb paint, water-based road marking paint, airport marking paint, and more. Our global footprint extends to partnerships with renowned brands like Potter Sovitec, Sawwarco, and others.

## Why Choose Marklines India?

- **Quality Assurance:** Our products undergo rigorous quality checks to ensure longevity and performance.
- **Innovation:** Stay ahead with our innovative thermoplastic solutions designed to meet the demands of modern infrastructure.
- **Global Standards:** Committed to providing products that adhere to international standards, our exports are a testament to our global competitiveness.

At Marklines India, we don't just deliver products; we deliver excellence. Join hands with us for a journey marked by quality, reliability, and innovation. Your satisfaction is our priority.

**Contact us:** Visit our website at [www.marklinesindia.com](http://www.marklinesindia.com) or reach out to us at [info@marklinesindia.com](mailto:info@marklinesindia.com) for inquiries and collaborations. Mark your path with Marklines!

## COMPANY PROFILE

We would like to introduce our company **M/s. MARKLINES** is an ISO 9001:2015 Certified Company and it was incorporated with its principal activity being the Manufacturer of Thermoplastic Hot Melt Road Marking Material for the past 4 years.

Our Thermoplastic Road Marking Materials **MARKLINES** Road Marking White/Yellow is formulated with the highest quality of raw material to provide long life and excellent visibility even after extended use. Our manufacturing standards comply with MOST 803.4.2 (MoRTH 803), BS 3262:1989, BS EN 1871:2000, AASHTO M249, AS 1742.2,SLS 1384:2009 specifications.

We have been an established and popular company in BHOPAL with an excellent track record for the best customer satisfaction. We have never compromised on the quality and the services provided to the customer. We believe in keeping the customers happy and providing them with products at a very competent price. We have an excellent staffs who will guide you with their best ideas by keeping in constant touch with your company and informing about the market trends.

Our Production facilities are capable to meet the local demand and export enquiries, the production is managed by a total quality manufacturing program to ensure product specifications are met. Quality control program is done via an in - house laboratory to undertake constant quality control checks.

With this kind of technical support and production facilities, we have been supplying material to various projects including NHAI, National Highways, State Highways, PWD works and urban roads all over India.

Please feel free to keep in touch with us about any of your business related requirements/queries.

We look forward to a wonderful relationship together and success for all concerned.
