

The logo for NIGIAC is presented in large, blue-outlined, 3D-style letters. Each letter contains a different photograph of students in a classroom setting, engaged in various activities like reading or working on projects. The logo is set against a light green rounded rectangular background.

NIGIAC

MASTER CATALOGUE-2023

The background of the entire page is a vibrant, stylized illustration of a lush green forest. Sunlight rays filter through the trees. Several pink flamingos are depicted in various poses, and several pink butterflies of different patterns are scattered throughout the scene. The overall aesthetic is bright and nature-themed.

Q 1. What is your company profile?

Ans. We are specialist Indoor Toys and Equipment supplier based in New Delhi, India. Our promoters are well educated & hugely experienced in the field of Toys.

Q 2. How safe are your products?

Ans. Safety is our top priority and we make the products adhering to the quality standards applicable in market of same. We innovate, design & produce our toys in the way so that safety whilst playing is ensured in our item. A testimony to this is that our panel members had represented the Bureau of Indian standards on behalf of Toy association of India to formulate safety standards in India on Toys. Also all our products comply to present BIS & International safety norms. We also follow the WE CARE program proposed by TAI.

Q 3. What all products you have?

Ans. We have products categories which can be broadly termed as follows • Toy Slides & Combos • Ride on & Rockers • Toy Swings • Trampolines • Toy Slide Swing Combo • Pre School Furniture (Social Seating) • Classroom Furniture • Children Gym series • Role Play Toys • Activity Play Toys

Q 4. What is the age group that your products cater to?

Ans. Due to the wide range, our products are suitable for children of any age, right from 2 years to 14 years. Also we do mention the best suitable age group alongside all our products.

Q 5. What raw materials are being used in the products?

Ans. Different grades for virgin quality plastics namely LLDPE, HDPE, PP & CP are used to make these products. Also Galvanized steel pipes are also being used wherever necessary.
