1. What is your company profile.

We are specialist Outdoor & Indoor/Playground Equipment supplier based in New Delhi , India. Our promoters are well educated & hugely experienced in this field.

2. How safe are your products?

Safety is our top priority and we make the products adhering to the quality standards applicable. Safety whilst playing in the key element around which we design our products. Also all our products are made from non toxic, anti static, lead free plastic and have no sharp edges.

3. What all products you have ?

We have products categories which can be broadly termed as follows
 • Outdoor Playstations • Scramblers • Swings • Outdoor Slides • Spring riders
 • Inflatable Bouncers/Playcentres • Outdoor fitness • Outdoor Playhouses • Benches
 • Indoor Playcentre

4. What is the age group that your products cater to?

We have a wide range of products that are suitable for children of various ages right from 3 years to 14 years.

5. What raw material are being used in the products?

Different grades for virgin quality plastics namely LLDPE, HDPE Plastic are used to make these products.

Also the raw material used herein is procured from the best suppliers and is constantly being checked for toxicity and other Hazardous Elements. We also use UV stabilizers wherever required to maintain the products colour & life.

6. Where is the company located?

The company is based out of NATIONAL CAPITAL REGION and has its facilities & Office in NCR.

7. Where all are these products available.

We have a Pan India distributor network with around 36 distributors & 150 business associates covering most parts of India. We are empaneled supplier of many premier institutional buyers, societies and builders.

Kindly contact us for our distributor information. Internationally we also export to many countries in South America, Middle East and SAARC countries.

8. What is the lead time and delivery mode?

The Lead time is a variable of many things including Quantity & Products selected but generally all orders are ready for dispatch within 8-10 working days.

The mode of transport is selected depending on our clients location and advice. We generally use roadways for domestic deliveries. Transit Time is Extra As per actual

9. What is the average life of your product?

We ensure our product longevity by using best quality materials. With proper maintenance and care our play systems can be used for as long as 3 to 4 years.

10. Do the products fade in colour?

Grokids products are made out of best quality UV stabilized Non Toxic Anti Static plastics which gives us confidence that the products would not fade for at least 3 years.

11. Can Broken/Worn Out Parts be replaced.

In our endeavour to provide customer with best of our services we try and keep the spare parts of most of our items handy with us. These can be purchased if available.

12. Can your products be customized?

The products can be customized according to the need and choice.

13. Do you have assembly instructions

Yes most of products come with assembly instructions. If not you can ask us for them by reaching out to us at info@grokids.com.

14. Do you offer any consideration to NGO / ARMY / GOVT. Organisations

We are a socially responsible organization and try to contribute to the society in whatever way we can. We do offer special consideration to non profit organizations in terms of special guidance, layouts and certain additional help depending on case to case basis.
