

Air Cooled Chiller, CETP Plant, DM Plant, EA STP Plant, Effluent Treatment Plant, Industrial ETP Plant, Industrial RO Plant, Industrial STP Plant, Industrial Water Softener Plant, Juice Plant, MBBR STP Plant, Mineral Water Bottling Plant, Portable ETP Plant, Pre Fabricated STP Plant, RO Plant 100 LPH, etc.

**WATER SOFTENER PLANT 10000 LPH**

**INDUSTRIAL WATER SOFTENER PLANT**

**WATER SOFTENER PLANT 5000 LPH**

## About Us

Haley Group is a leading manufacturer of high-quality beverage and water treatment plants, offering complete solutions for mineral water, soft drinks, and juice production. With cutting-edge technology and precision engineering, we design and manufacture fully automated filling plants for bottled water, carbonated drinks, and juices. Our expertise extends to water treatment solutions, including RO plants, water softeners, sewage treatment plants (STP), effluent treatment plants (ETP), and wastewater treatment systems. We ensure efficient, eco-friendly, and cost-effective solutions for industries, municipalities, and commercial establishments.

With a commitment to innovation, quality, and customer satisfaction, we provide turnkey solutions tailored to meet the highest industry standards. Whether you need a bottling plant or a customized water treatment system, we deliver reliable and sustainable solutions to enhance productivity and efficiency.

## Key Facts

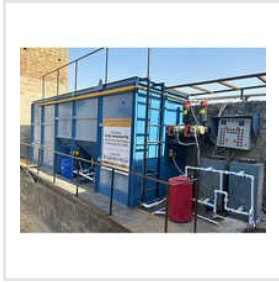

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	ro plant,packaged drinking water machine,packaged drinking water plant,mineral water filling machine,mineral water machine,frp ro plant,industrial reverse osmosis plant,water treatment unit,water treatment equipment,water treatment systems
<b>No of Staff</b>	17
<b>Year of Establishment</b>	2021
<b>No of Production Lines</b>	2
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	ro plant,packaged drinking water machine,packaged drinking water plant,mineral water filling machine,mineral water machine,frp ro plant,industrial reverse osmosis plant,water treatment unit,water treatment equipment,water treatment systems

**Our Products**

**Stainless Steel RO Plant**

**Pre Fabricated STP Plant**

**RO Plant 1000 LPH**

**RO Plant 20000 LPH**

**RO Plant 4000 LPH**

**RO Plant 6000 LPH**

**Industrial RO Plant**

**RO Plant For Mineral Water**

**RO Plant 100 LPH**

**RO Plant 250 LPH**

**RO Plant 10000 LPH**

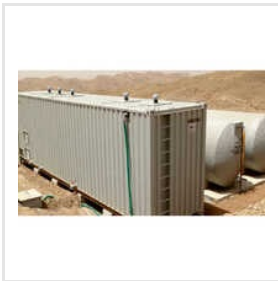

**Effluent Treatment Plant**

**Industrial ETP Plant**

**CETP Plant**

**Portable ETP Plant**

**Water Softener Plant 1000 LPH**
