## About Us

Prashant Engineering was incorporated in the year 2018; since then, we have been engaged in manufacturing and supplying a wide assortment of industrial hardware. Our range includes 5 inch SS Chest Handle, Drawer Spring Chest Handle, Spring Toggle Latch, Furniture Level Adjuster, Flight Case Accessories, and many more. These are widely acclaimed for their features such as sturdy construction, high strength, durability and dimensional accuracy. Our infrastructure unit is stretched across a vast area in Pune, Maharashtra, India. The unit is installed with highly advanced machines and tools to enhance our production capacity. Moreover, this has enabled us to deliver bulk consignments within the promised time frame. Our R&D division uses advanced technology to design the products and offer a highly efficient and accurate range to our esteemed customers.

We have vast experience to provide cost-effective products across a wide range of applications in many industries. Also, with the dedicated efforts of Mr. Prashant Kokane (Proprietor) our business has flourished in the market.
