

1- 2-Chloro-4-4-Chlorophenyl-Butyl-Imidazole, 1- Benzylimidazole, 1-Bromo-3 5-Diaminobenzene, 1-Bromo-3 5-Dimethoxy Benzene, 2 3-Dimethylbenzoic Acid, 2 3-Dimethylbenzonitrile, 2 5-Dibromotoluene, 2 6-Dibromo Phenol, 2 6-Dichloro Thiophenol, 2- Aminobenzophenone, 2-Bromo-5-Chlorotoluene, 2- Bromoaniline, 2- Bromoanisole, 2-(4-Chlorophenoxy) Aniline, 2-Bromo Aniline, etc.

4- CYANOACETOPHENONE

**1-BROMO-3 5-DIMETHOXY
BENZENE**

2 3-DIMETHYLBENZOIC ACID

About Us

With a wide range of high purity Drug Intermediates, Pharmaceutical Raw Materials, 3-bromo phthalide, 3-coumarone, 4-cyano phenacyl bromide, 2,6-dibromophenol and other products, we are acknowledged amongst the leading names in the chemical industry. We are well supported by ultra modern machines, as well as an experienced team of chemists, medics and scientists to deliver highly effective and reliable range of products for our patrons. The company also imports certain chemicals from China and Japan. Our Quality Assurance System has been established to comply with the requisite international standards. At our premises, all products are regularly checked for all kinds of discrepancies at all the stages of production. Our strength is in the development of process technology for rare chemicals.

We are a proud member of the Pharmaceutical Export Promotion Council (PHARMEXCIL), Basic Chemicals and Pharmaceuticals and Cosmetics Export Promotion Council (CHEMEXCIL). Our export markets are centered in many countries of the world including USA, Japan, Europe, Argentina, Korea, and Israel.

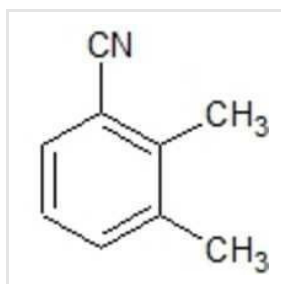

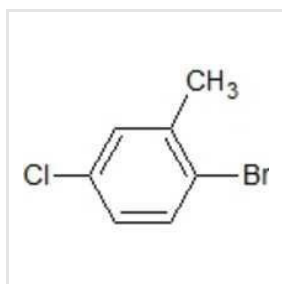

Key Facts

No of Staff	45
Year of Establishment	1990
OEM Service Provided	No

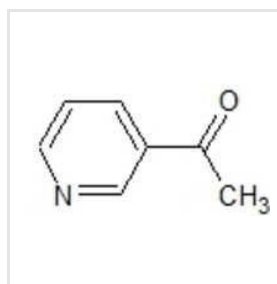

Our Products

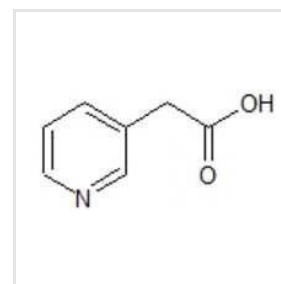

**2 3-
Dimethylbenzonitrile**

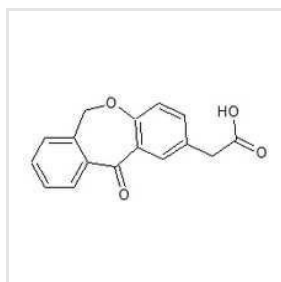

**2- Bromo-5-
Chlorotoluene**

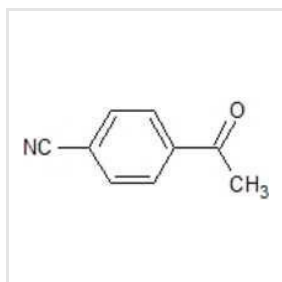

3- Acetylpyridine

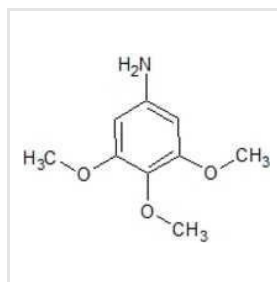

3-Pyridylacetic Acid

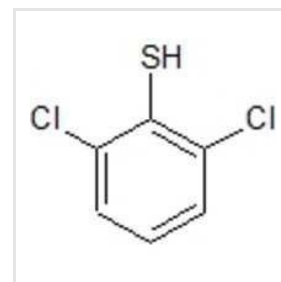

Isoxepac Acid

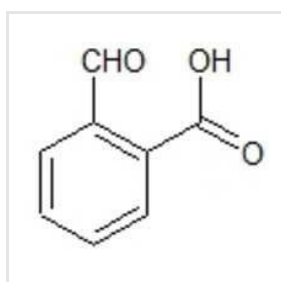

4- Acetylbenzonitrile

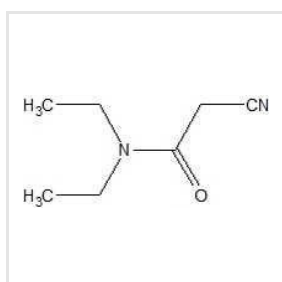

**3 4 5-
Trimethoxyaniline**

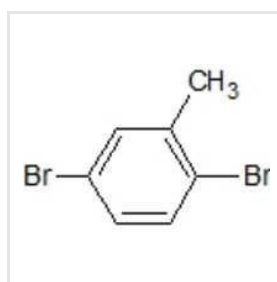

**2 6-Dichloro
Thiophenol**

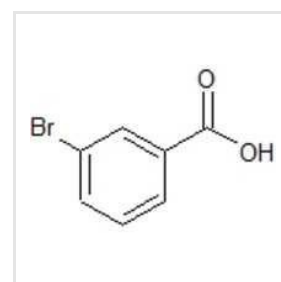

Phthalaldehyde Acid

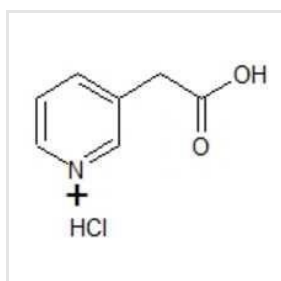

**N N-Diethyl-2-
Cyanoacetamide**

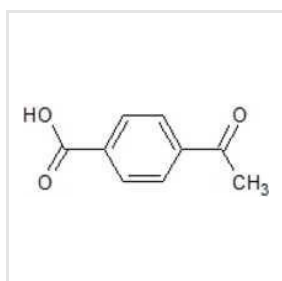

2 5-Dibromotoluene

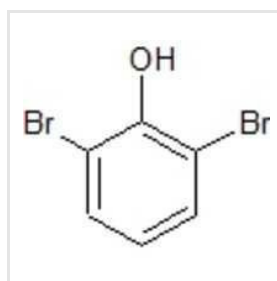

3-Bromobenzoic Acid

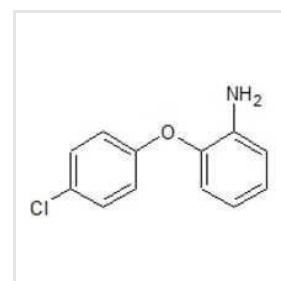

**3-Pyridylacetic Acid
Hydrochloride**

4-Acetylbenzoic Acid

2 6-Dibromo Phenol

**2-(4-Chlorophenoxy)
Aniline**
