

200W BACK CHOWK LIGHT

Manufacturer and Supplier

100 W Flood Light LED PCB, 100 W LED Flood Light, 100W Highbay Light, 100W Lens Highbay Light, 100W Street Light PCB, 100w Floodlight PCB, 120W 2 IN 1 & 2835 LED, 150 Watt LED PCB, 150 Watt LED PCB Module, 150W Aluminium LED Flood Light, 150w High Bay Light, 150w Led Flood Light, 150watt Led Pcb Module, 18 W LED PCB, 20 W Street Light LED PCB, etc.

ALUMINIUM LED PCB

200 WATT LED PCB

24 WATT LED PCB

About Us

From residential, industrial to commercial, Aarav Industries has been fulfilling the requirements of all the industries since its formation in 2018. The official brand of the company, Aarav is introducing a quality assured range of Electric Sunbless LED PCB, Aluminum LED Street Light, LED Flood Light Back Choke, LED High Bay Light, Circuit Boards, Aluminium LED Flood Light, etc. in the national marketplace. Our offered lights are suitable to install in homes, offices, gardens, terrace, streets, parks, airports and other indoor & outdoor places. The design & development of the products are done by our team of skilled engineers.

With dedication and determination, Aarav Industries is able to position itself as a leading producer of Electric LED Street Light, LED Flood Light PCB, Aluminium LED Flood Light, Circuit Boards, LED High Bay Light, etc. Our offered products are energy efficient, user friendly, easy to install and durable. Using the best components, our products are designed & developed in accordance with the latest market trends. In a short time span, our Surat, Gujarat (India) based organization has won the trust of several clients and become their preferred choice. This is because of our zeal to provide a satisfactory and delightful business experience to our valued clients.

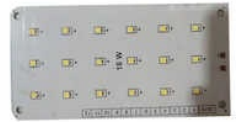

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	metal core pcb,high power led spotlight,high power led,FULHAM LED DRIVER,philips led driver,led flood light housing,led street light housing,led tube light driver,LED Highbay Light,led flood light
No of Staff	10
Year of Establishment	2018
OEM Service Provided	No
ProductRange	metal core pcb,high power led spotlight,high power led,FULHAM LED DRIVER,philips led driver,led flood light housing,led street light housing,led tube light driver,LED Highbay Light,led flood light

Our Products

75 & 72W PCB

600mA LED Aluminum PCB

200W Philips LED

18 W LED PCB

LED 200 Watt PCB

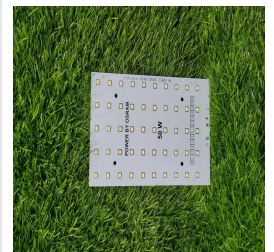

30W Back Chowk Flood Light Mcpcb

120W 2 IN 1 & 2835 LED

150 Watt LED PCB

150watt Led Pcb Module

24 W Street Light LED PCB

Electric Sunbless LED PCB

50W STREET LIGHT PCB

20 W Street Light LED PCB

100 W Flood Light LED PCB

24 W LED PCB

150 Watt LED PCB Module
