

Coriander Powder

Dhaniya Powder | Wholesale and Bulk Supply Near Delhi NCR

Product Description

Coriander Powder, also known as Dhaniya Powder, is a finely ground spice prepared from selected coriander seeds. It is widely used in Indian cooking for its pleasant aroma, mild earthy taste and versatile culinary character. The powder is suitable for households, restaurants, hotels, caterers, food manufacturers, spice distributors, retailers and wholesale buyers.

The product is processed with attention to cleanliness, consistent grinding and hygienic packing. Its convenient powder form makes it suitable for daily cooking and commercial food preparation. It can be used in curries, gravies, vegetables, lentils, soups, marinades, chutneys, sauces, snacks and blended seasoning products.

Key Product Features

- Fine and consistent powder texture
- Prepared from selected coriander seeds
- Pleasant natural aroma and earthy flavour

- Suitable for household and commercial cooking
