About Us

The foundation of our business, Home Theater Experts, was laid in the year 2018 with the aim of assisting people create home theaters and auditoriums that meet the quality of commercial cinemas. Today, we bring forth a quality product portfolio comprising speakers, lights, projects and everything else that is of use in this application area. Revel B8 Subwoofer, Full HD Projector, Fiber Optic Light, Stretch Ceiling and Ceiling Speaker, are a few products from our range.

Experiencing how increasing demands outstrip the supply operations, we began developing long lasting relations with the trusted brands of these products. JBL, Polk, Q Acoustics, Denon, Revel, KEF and Harman Kardon are a few of the many brands we have associated with to source aforesaid and more products of unmatched quality. Doing so has made us a reliable trader, wholesaler and supplier, while supporting us to fulfill bulk/immediate orders of our clients with all-time availability of these products with us.
