About Us

Making a strong foothold in a fiercely competitive business segment is not a cakewalk. The business should be unique in its own way of running the business to touch heights of success. With the spirit of doing the best for customers and community, the foundation stone of Chavan Irrigation was laid in the year 2019. Working progressively for a couple of years, today, we are looked at as a reliable manufacturer and supplier of HDPE Irrigation Pipes, Drip Irrigation Pipes, Black Flexible Irrigation Pipes and Rain Irrigation Pipes.

We design, develop, manufacture and quality-check irrigation pipes of several specifications to meet the increasing and specific requirements of our customers.
