

FUDDIESTM

&

Noodies

PROCESSED TO PERFORM GLOBALLY

Specializing in spices, spray-dried, and dehydrated food products crafted for international buyers.

SPICE PRODUCTS

Sourced from carefully selected farms and processed under strict quality standards, our spice range delivers rich aroma, vibrant color, and authentic taste.

Each batch is hygienically handled to preserve natural oils and freshness.

Ideal for bulk buyers, private labels, and global food brands seeking consistency and purity.

HERBAL PRODUCTS

Sourced from selected medicinal and culinary herbs, our herbal range is processed under controlled conditions to preserve natural potency, aroma and color.

Rich in plant nutrients, it suits wellness-focused food, beverage, and nutraceutical applications, and is ideal for manufacturers seeking clean-label, consistent, and reliable ingredients.

SEED PRODUCTS

Our seed products are sourced from premium-quality seeds and carefully cleaned and processed to preserve purity, natural oils, and nutritional integrity.

They deliver consistent texture, stable shelf life, and reliable functional properties for food processing and seasoning. Ideal for bulk buyers seeking high-quality, export-ready seed ingredients meeting international standards.
