About Us

Empowered by well integrated manufacturing unit, assistance of experienced professionals and backed by other amenities, we, Shubham Multiple Services, are engaged in offering a wide range of Process Machines. Incorporated in the year 2007, we have established ourselves as a trustworthy manufacturer, exporter and supplier in pharmaceutical and food industries. We are engaged in offering a wide range of Pharmaceutical Equipments & Instrument, Tablet/Capsule Counting Machines, Pharmaceutical Material Handling Equipments, Tablet Coating Machines etc. that meets International Standards of Quality. Fabricated using high grade raw materials, these machinery are demanded for sturdy construction, high durability, customization facility and several more salient features. This has helped us to export our range to U.S.A, Europe, Africa and Far East Asia.

We are able to carve a niche for ourselves in the global market only because of the utmost support of our team members. Our entire team comprises experienced engineers, machine operators, quality inspectors, sales executives and others who is the backbone of our organization. They all are working under the able guidance of our mentors, Mr. Ramesh S. Pawar and Mr. Sunil N. Pawar. Associated with Glaxo SmithKline pharmaceuticals Ltd.- Worli Mumbai, they have rich business acumen and excellent product knowledge. As a result, we are able to meet the precise specifications of our patrons who are based in several parts of the world.
