## About Us

With an aim to establish our strong presence across global markets, we have been winning the hearts of customers by providing them with high quality electrical overhead transmission line materials suited their requirements and budget. Incorporated in 1980, we, Electromech Services, are known as a renowned manufacturer, trader and supplier of Air Break Switch, Electrical Air Break Switches, Isolators, Horn Gap Fuse, Drop Out Fuse, Stay Sets, Clamps & Connectors, etc. In addition, we also offer Tension & Suspension Hardware Fitting, Tower Line & Pole Fitting, Porcelain & Polymer Insulators, Earthing Materials, Lighting Arresters and much more.

We, Electromech Services are reckoned among the preeminent manufacturers, traders and suppliers of Air Break Switch, Horn Gap Fuse, Drop Out Fuse, Clamps & Connectors, Tower Line & Pole Fitting, Earthing Materials, Lighting Arresters and much more. Be it any commercial or industrial establishment, our products are used by a number of clients across the country. While manufacturing our products, we use fine quality raw materials procured from the leading vendors of the country. Since our inception in the year 1980, best technologies and the latest production methods are being used by us in order to provide the world-class products to our clients. This is the reason, our products have good insulation properties and appreciated for their features like durability, sturdy construction, smoothness of edges, rust resistance and economical prices.

## Key Facts

<b>Nature of Business</b>	Supplier
<b>No of Staff</b>	8
<b>Year of Establishment</b>	1980
<b>OEM Service Provided</b>	No
<b>Memberships</b>	CETA

**Our Products**

**Shackle Insulators**

**Polymer D.O Fuse**

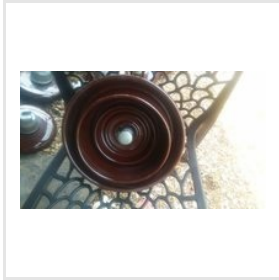

**22KV 400 Amps A.B Switch**

**Lt Pin Insulators**

**Porcelain Pin Insulator**

**Porcelain Antifog Disc Insulators**

**Guy Or Stay Insulator**

**Guy Or Stay Insulator**

**Shackle Insulator**

**Polymer Insulator**

**Polymer A.B Switch**

**11 KV 2 Post Air Break Switch**

**33 KV 400 Amps Air Break Switch**

**22 KV Gang Operated Air Break Switch**

**11 KV 400 AMPS, 2 Post Rotating Isolator**

**11kv Air Break Switch With D O Fuse**
