

New Age  
Instruments & Materials Pvt. Ltd

# Laser Industries

Consumable, Replacement Parts & Diagnostic Systems for Laser Processing Industry.

We are providing consumables and systems to laser integrators, service providers and end users in the field of laser cutting, laser marking, diamond processing and medical Industry.

# TOOLS & COMPONENTS

01

## MEDICAL APPLICATIONS

Pocket IPL

Raman System

02

## DIAMOND PROCESSING

Laser Diode Module

Q-Switch

Laser Power Meter

03

## LASER CUTTING & MARKING

Diode Module

Q-Switch

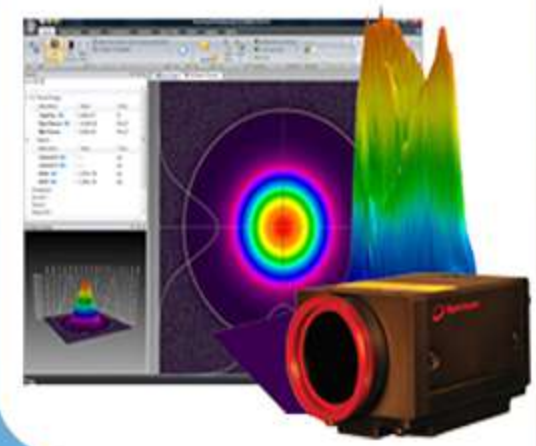

Laser Power Meter

Laser Power Meter

Beam Profiler

Laser / X-Ray  
Safety Goggles

IR Plate  
& Optical Filter

Laser  
Safety Curtains

Tools for  
Laser Procedures

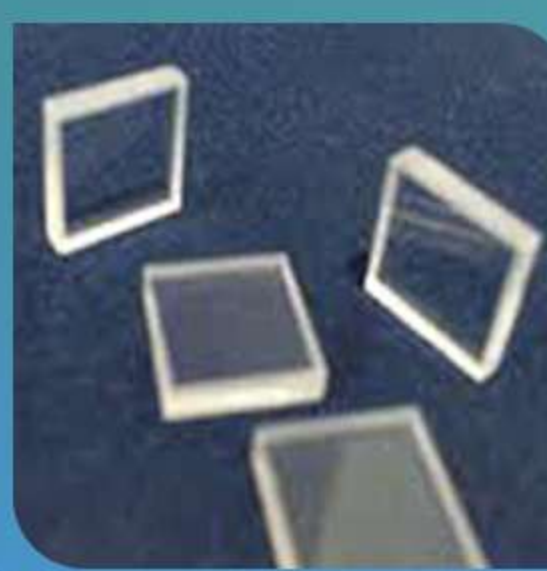

50/19mm Bender

Front Back Mirror

Protector Window

Polarizer Plate

77/90mm  
Focusing Lens

Beam Expander

Chamber Window

Mirror/Lens

Beam Expander

Flash Lamp  
& Flow Tube

XY Glvo Mirror

ND Yag Rod

Flow Tube

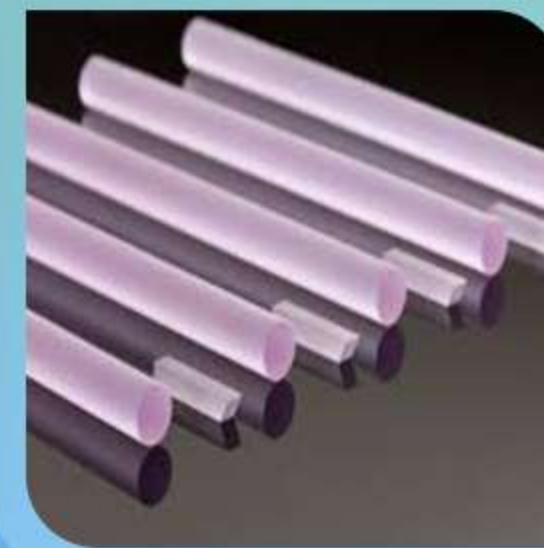

Fiber

Dental Mirrors

EO/Pockels Cells

ND Yag Rod

ND Yag Rod

Raman System For  
Diamond Identification

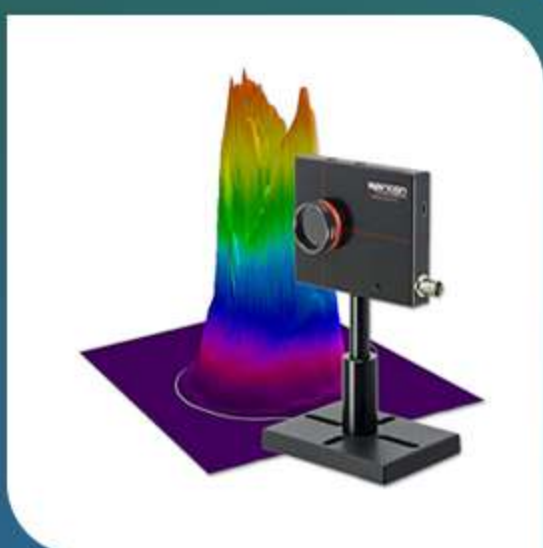

Raman System For Gems Identification

Laser Safety Goggles

IR Plate  
& Optical Filter

Laser Beam Profiler

Laser  
Safety Curtains
